Automated Trading Quick Start Guide

10 Minute Set-Up

Our easy set-up guide walks you through everything step-by-step, so you can be up and running in as little as 10 minutes and start copying your chosen AlgoStrategy Expert Advisor.

Once set up, trades are copied automatically, no manual trading required.

Your funds always remain in your own account and you can stop copying at any time with a single click.

Performance fees are only charged on new profits above your previous peak (high-water mark), ensuring you're never charged twice for the same gains. Fees are calculated and deducted automatically at the end of each month.

If you have any questions, our team is always available to help.

Disclaimer: Past performance is not indicative of future results. Trading, including copy trading, involves risk and may result in the loss of capital. Please ensure you fully understand the risks before participating.

Select your account type, enter your date of birth and address:

The screenshot shows the XIC account opening interface. On the left, a vertical progress bar lists five steps: 1. Your personal details (with a 'modify' link), 2. Tell us more about yourself (highlighted in green), 3. Trading account configuration, 4. Review, 5. Declaration, and a final step with a green arrow: Open account and start trading. Below the progress bar, it states 'Estimated time to complete: 2 minutes'. The main content area is titled 'Tell us more about yourself'. It asks to 'Choose your account type' with two buttons: 'Individual' (highlighted in green) and 'Corporate'. Below this is a checkbox for 'Swap Free Account' with a note: 'By ticking this box you acknowledge and agree that you have read and understood the Swap Free Account Terms and Conditions'. The 'Date of Birth' field is set to '1 January 1980'. The 'ADDRESS' field contains '10 Downing Street London'. Below the address, two suggestions are shown: 'Prime Minister & First Lord of the Treasury, 10 Downing Street, London, SW1A 2AA' and 'Downing Lip, 10 Lower Thames Street, London, EC3R 6AF'. At the bottom of the form are 'Back' and 'Continue' buttons. A small icon and text at the bottom right indicate 'Data Encrypted & Secured'.

🔒 Data Encrypted & Secured

Step 6

Once your application has been submitted, click “Secure Client Area” on the email confirmation, set-up your new password and two factor authentication:

Step 7

On the dashboard, click “Verify your Account” on the left-hand-side navigation bar and follow the questions on screen:

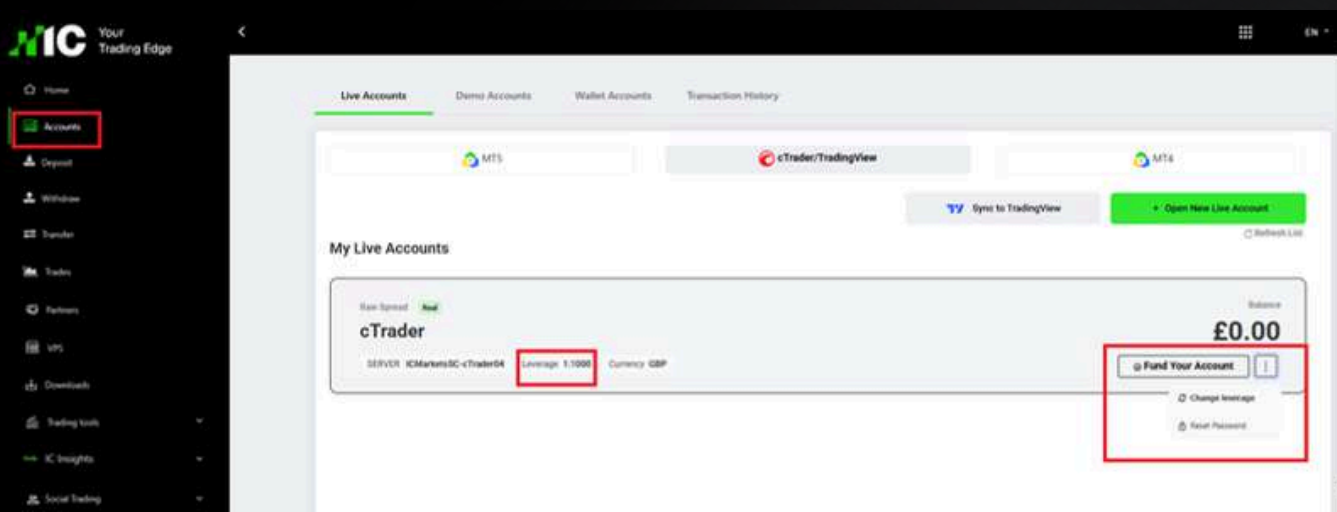

Step 8

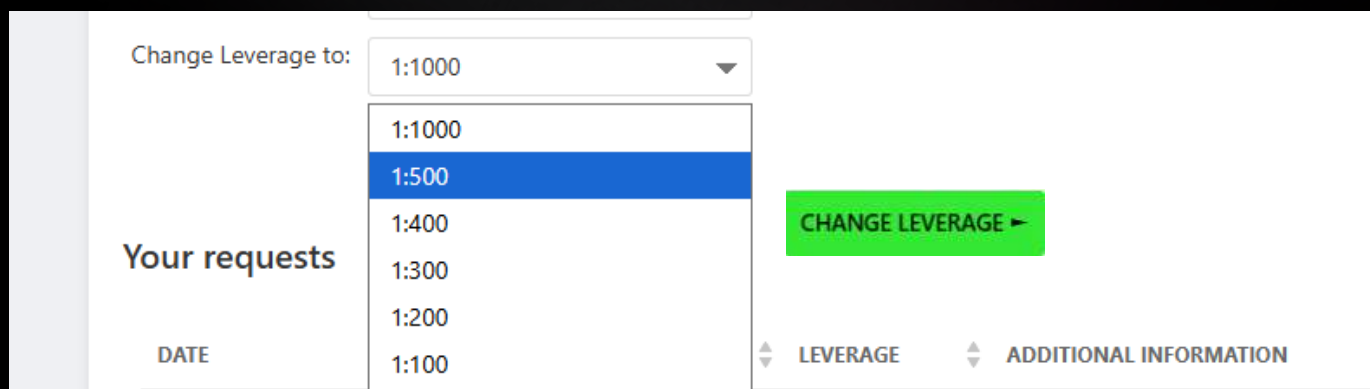

Ensure that the Leverage on your account is 1:500.

You can check your leverage by clicking “Accounts” on the left-hand-side navigation bar, then “cTrader” under “Live Accounts” where it will be displayed under your account number.

To change it, click the three dots underneath your account balance and select “Change leverage”:

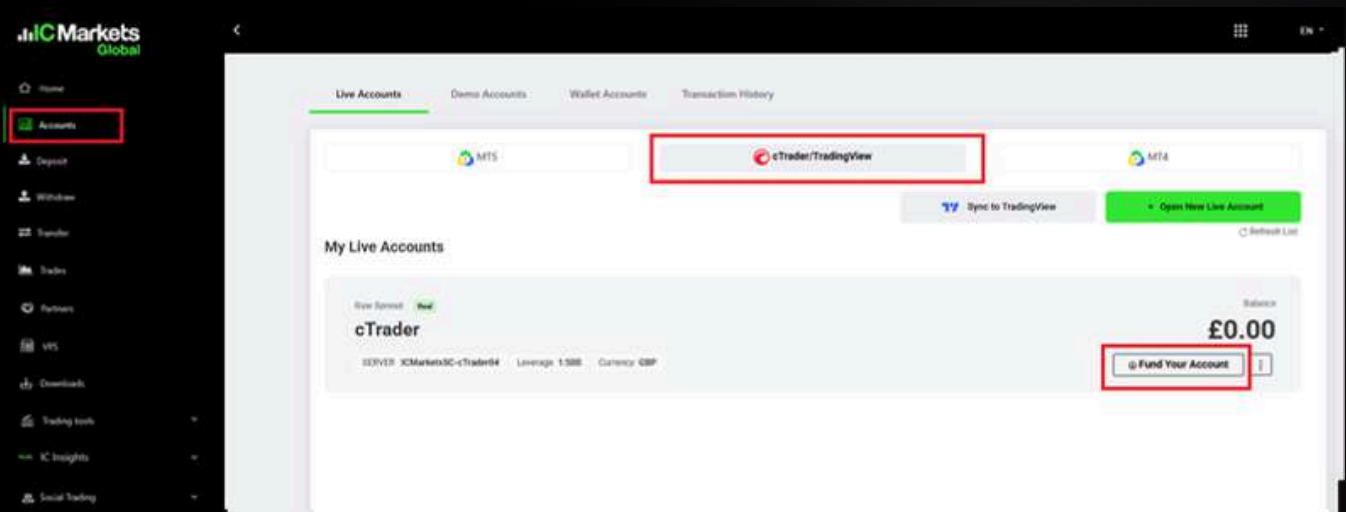

Select “1:500” from the drop down menu and then click the green “Change Leverage” button:

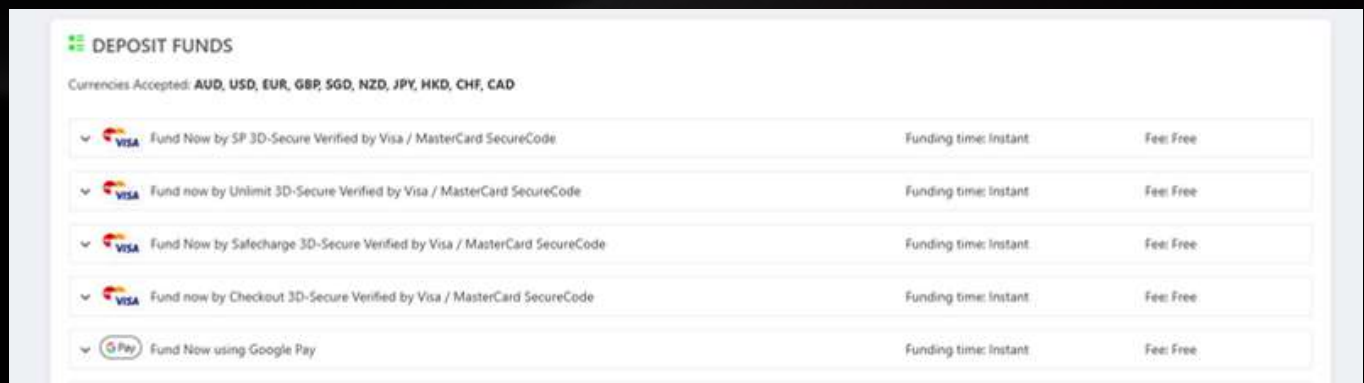

Step 9

You now need fund your account with the amount that you wish to trade.

Click “Accounts” on the left-hand-side navigation bar, “cTrader” under “Live Accounts” and click “Fund Your Account” under your account balance:

The next page provides multiple options to fund your account. Simply click the most suitable option and follow the on-screen instructions:

Copy Your Strategy

Step 10

The final step is to copy your preferred strategy from our AI Expert Advisors by clicking the button below.

Please note that this step must be completed using a desktop or laptop computer.

Copy →

On the strategy page, click “Start copying” on the top right-hand-side of the screen. It will ask you to allocate the funds from your cTrader account on IC Markets, tick the boxes and click “Continue”:

And that's the process complete.

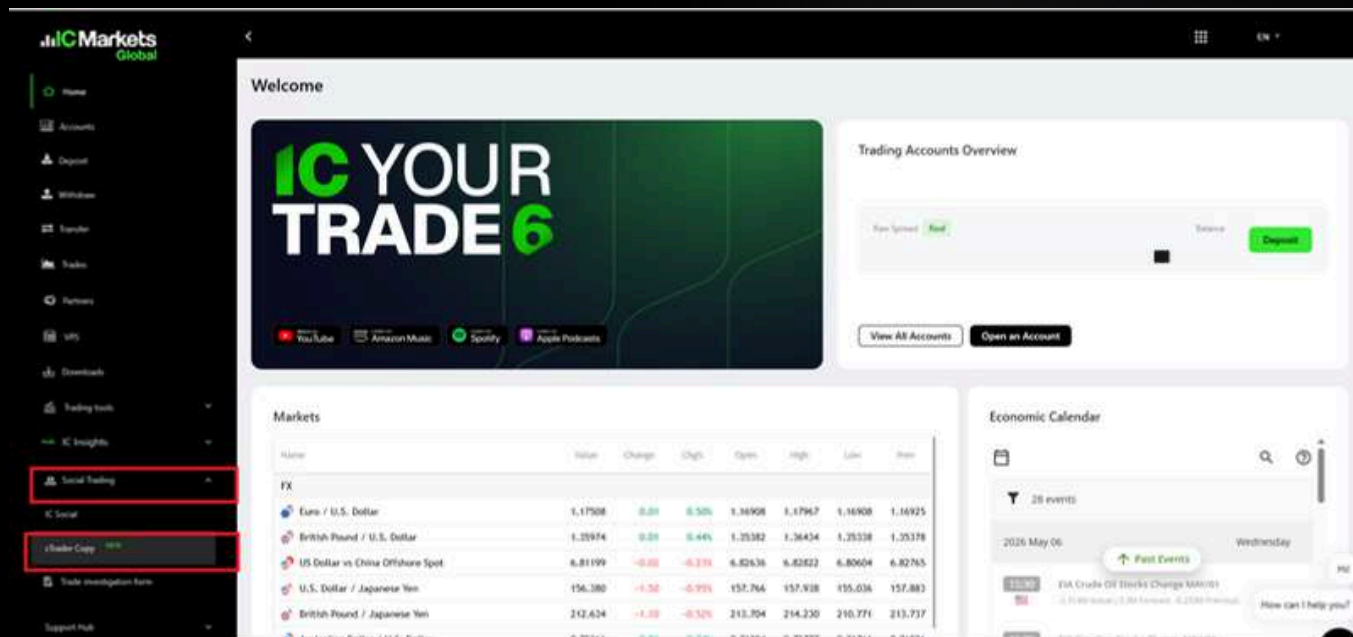

Your funds stay in your own account and it will automatically copy the trades of your selected Expert Advisor with no intervention required from yourself.

Monitoring Performance

To monitor the performance of your trading account click “Social Trading” and then “cTrader Copy” from the menu on the left-hand-side.

Note that once your funds have been allocated to the strategy, they will be displayed under this section NOT your account balance under “Accounts”.

Click on the strategy on the left-hand-side, which will display your investment statistics, including balance, profit, open positions, history and transactions:
