

Soft skills: Leadership

Activity title	Be a leader
Duration	20 min
Learning objectives	Participants have the chance to experience what it is to be a leader through role playing.
Materials needed	None.
Preparation	Introduce participants to the concept of leadership, and different types of leaders. Prepare some scenarios for participants to implement leadership in,
Implementation	<p>Ask for four volunteers. One of them will play the role of employee and the other three will demonstrate a different style of leader.</p> <p>An example scenario: Employee has missed a meeting. Ask volunteers to play the scenario three times with three different approaches.</p> <p>After, ask other participants to give feedback in role plays.</p>
