

**Zenclean**

# ***Deliver Optimal Sparkling Clear Water***

*For Residential Pool and Spa*

***Zenclean Cartridge Filter 100***

***Zenclean Cartridge Filter 150***

***Zenclean Cartridge Filter 200***

***Zenclean Single-Element Cartridge Filter is built with high-strength and UV-resistant material to prolong the product life.***

The compact and low height design is suitable for any pool especially with limited system setup space. The extensive dirt-catching capability of the filter element makes this filter highly efficient. A reliable choice for crystal clear water.

### User friendly

- Easy-grip lid handle
- Indicative pressure gauge tells you when to service
- Knee-height tank base facilitates easy cartridge replacement.

### Trouble-free maintenance

- Locking ring with quick-release latch allows removing and installing the top tank quickly
- Simple cleaning and rinsing the filter element with a garden hose.

### Eco-Friendly

Big one-piece cartridge element provides a large filtration surface for trapping more dirt and debris. Less cleaning required, and unlike sand filters, needs no backwashing thus saving water and its precious chemicals.
