Who We Are

Spratley & Partners are an approachable team of architects, with a reputation for maximising the potential of people, design, planning and return on investment. Youthful and dynamic designers, we exercise smart thinking, strong commercial knowledge and work hard to deliver without compromise, forming enduring relationships with our clients by working without ego, listening and adapting our thinking accordingly.

Sustainability is at the core of our practice and our retrofit-first approach means we are able to bring new life to renovations and make clever interventions to period properties. New builds are designed with a tangible sense of identity and our projects provide record rental returns, utilise pioneering innovation and win national acclaim.

With offices in Henley-on-Thames and Bristol, we work predominantly in London, the South East and South West, across a broad range of projects from private homes, boutique hotels and country estates to business parks, research labs and elite universities.

Workplace

We create beautiful workplaces, imagined and made into adaptable and dynamic spaces, driven by smart thinking, strong commercial knowledge and expertise. Our work includes new-builds and retrofits, from small boutique projects to company headquarters, business parks and large commercial developments.

We have a proven track record of delivering award-winning projects for major developers, global investors and renowned businesses and estates. We work to enrich our clients' property assets, envisioning and fulfilling potential by optimising performance, improving workplace wellbeing and maximising environmental sustainability.
