SPORTS TERMS: Pricing reflects non-member rates and is based on 4 players per court for pickleball and padel, and 2 per court for squash. For golf simulators and the turf field, pricing reflects total cost to rent the area, allowing up to 6 players per sim and up to 20 on the turf. Sessions may range 15 – 120 minutes based on sport and time of day. Sport pricing excludes paddle, racquet, and ball rentals; golf rates include house clubs, balls, and access to the short game practice area. The turf field (approx. 80' x 45') fits 5v5 adult soccer and can accommodate a variety of youth and adult sports. Lessons, clinics, and program pricing varies by sport, instructor, and group size.

MEMBERSHIP TERMS: F&B discounts exclude alcoholic beverages and private events. Free or discounted court/sim time is based on individual member status and doesn't extend to others. Future reservation limit does not apply to booking lessons. Club credit may be used for court/sim time, lessons, and equipment rentals. Each guest pass provides one-day access to the gym, recovery and locker rooms, plus one court booking; passes expire and reset monthly. As we continue to grow and evolve, we may update certain aspects of our membership structure from time to time — including pricing, access, or programming. Ballers reserves the right to make these changes, or to revoke membership, at our discretion. We'll always aim to communicate transparently and in advance where possible.

COME ON IN.

Rack it up. Even it out. Stay late for drinks on the winner.
