BALLERS

KEY MEMBER POLICIES

THESE POLICIES APPLY TO EVERY BALLERS MEMBERSHIP.

RESERVATIONS, CANCELLATIONS & NO-SHOWS

Court, simulator, class, lesson, private session, program, and event reservations are subject to availability, membership type, and club policies.

Reservations must be canceled at least 24 hours in advance. Reservations canceled within 24 hours, or not canceled at all, will be charged the full amount of the reservation. No-shows for free reservations are subject to a penalty charge equal to the full, non-discounted value of the reserved slot.

Members and guests must arrive on time and vacate the reserved space promptly at the end of their reservation. Repeated late cancellations, no-shows, misuse of booking privileges, or failure to follow reservation policies may result in additional fees, restricted booking access, or suspension of privileges.

ANNUAL CONTRACT EARLY TERMINATION

Annual memberships are based on a full contract term. If a member wishes to cancel their annual contract before the end of the term, an early termination fee will apply.

$400

Canceled in the first half of the contract term

$200

Canceled in the second half of the contract term

MEMBERSHIP FREEZE

Members may freeze their membership at any time for a maximum of two months per year. There is no fee to freeze a membership.

If a member freezes while under contract, the contract term is extended by the length of the freeze. For example, a one-month freeze extends the contract end date by one month.

MEMBERSHIP CANCELLATION

Ballers requires written notice of cancellation at least one full calendar month before the end of the requested final billing period.

Memberships remain active through the end of the final billing period, and all dues and charges during that period remain the member's responsibility. Cancellations are not immediate and may not be backdated.

REFER TO OUR MEMBER POLICIES ON OUR WEBSITE FOR ALL POLICIES AND FULL TERMS.
