–

Additional apps available upon request.

① *Application model is included in the Cluu User licence.*

② *Application model is included in the Muu Server licence.*

③ *UserFlat: one license applies per installation (flat rate) and not per user.*

NOTES

- The monthly rental price applies to annual payment. The rental price includes maintenance.
- The purchase includes maintenance for the first year. From the second year onwards, an annual maintenance fee of 25% of the purchase price applies.
- The listed user and app licenses are named licenses. It is possible to bundle ten named licenses into one concurrent license (also known as a floating license). It is possible to change the user assignment of a named license once per quarter.
- The edition of the user licences corresponds to the edition of the server licences. User licences for clients are based on the edition of the client licence.
- Our General Terms and Conditions of Contract (AVB) apply.

Do you have any questions? Give us a call – no strings attached, we're happy to assist!
