# Tiny Treats, Big Smiles

Who doesn't love walking into school and finding a surprise on their door? The "You've Been Boo'd" tradition is a favorite October morale booster—but why stop there?

This resource turns that single act of joy into a year-round ripple of kindness. Each month features a themed "You've Been..." idea with quick setup directions and printable signs. Teachers or volunteers start the chain, secretly deliver a treat, and watch the cheer spread across campus.

This simple, low-cost tradition helps every staff member feel appreciated, connected, and part of something special.

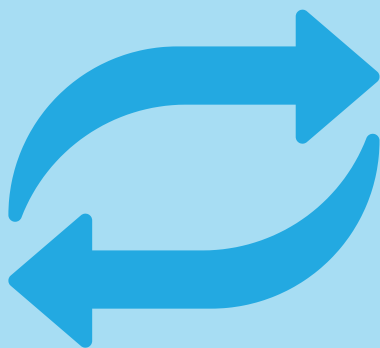

**What's Included:** Leader directions, printables, an editable checklist template, student ambassador ideas, and pro tips to keep celebrations consistent and culture-boosting.

# ACTIVITY DIRECTIONS

Here are the steps to try out this activity with your team throughout the school year.

- **Recruit 2–3 volunteers** to launch each month's theme (one per building if needed).
- **Set a start date** and ask each starter to "boo" 2–3 staff members.
- **Include in each bag:**
  - The month's themed treat
  - Printable "You've Been..." note
  - A copy of the directions for the next person
- **Encourage a 2–3 day** turnaround so the chain keeps moving. By month's end, aim for every staff member to have received a surprise.
- **Use your weekly memo** or announcements to nudge participation: "Keep the kindness going! Have you passed on your Boo yet?"

**Pro Tip:** Keep the chain cheerful and consistent. Kick off with a fun reveal and sample bag, then sprinkle in reminders or extra deliveries mid-month to keep things moving. End the year by celebrating your volunteers and showcasing every "You've Been..." sign as a visual reminder of the joy shared all year long.

# QUICK TIPS

**Sign-Up Sheet:** Assign monthly volunteers early (link Google Sheet).

**Opt-Out Option:** Place “I’ve Been Boo’d” signs in the copy room so anyone can quietly opt out.

**Stash Station:** Keep a few premade bags on hand to restart the chain if it stalls.

**Shared Folder:** Keep printable signs and directions in one shared drive for easy re-use next year.

**Split Sites:** If you have multiple buildings, assign separate starter teams to ensure both stay active.

**Stay Organized:** Create a Staff Celebration Spreadsheet that lists all staff members with columns to track who and when each person is recognized for Toot Your Horn Tuesday. Review it during your weekly admin meeting to ensure celebrations stay consistent and every team member feels seen and appreciated.

# ACTIVITY EXAMPLES

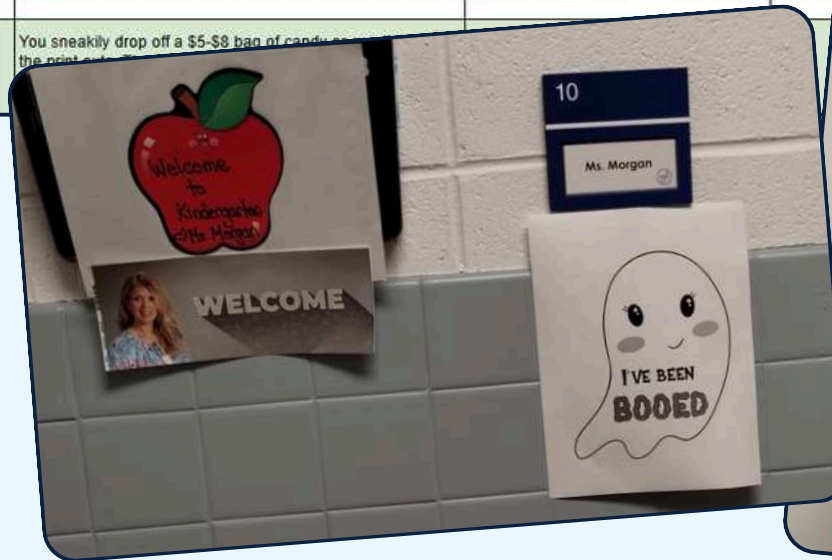

## Year Round Booing ideas to celebrate our wonderful staff!

Directions: Ideally, we would like **three** staff members to start each "Booing" event. Two from RV Main and one from the Annex. If you are interested in leading an event, please add your name below. If there are not enough volunteers to proceed, we will postpone that event. Once we have (3) volunteers in place, we can organize start dates for the different events. Thank you in advance! 😊

Staff who are **not** interested in participating in a Booing event can make a copy of the "I've Been Boo'ed" note (click link under the Boo idea) and place it on their door.

## COLLABORATION

# BUILT BY EDUCATORS, FOR SCHOOL LEADERS

This resource was created in collaboration with Renee Sudol Margotta, Instructional Technology Teacher and Coach at Riverview School in Denville, New Jersey.

Renee's creativity and heart for building community inspired this year-long "You've Been Boo'd" series. Her idea to keep the kindness going month after month reminds us that small surprises can spark big smiles—and that joy, when shared, has a way of blooming all year long.
