

ACTIVITY

# PERFECT PAIRS

A ready-to-use activity where staff race to find their perfect match and win prizes!

# ACTIVITY DIRECTIONS

Use these directions to set up the activity for your staff!

## All day activity:

- Print the hearts below based on the size of your staff. One heart = two staff members.
- Cut along the dotted lines to separate the heart pairs. We've included optional numbers/letters to help your team find their match more easily!
- Distribute one half of each heart to a staff member at the beginning of the day.
- Throughout the day, staff members will try to find their "soulmate" by matching their half with the other half of the heart.
- When staff find their soulmate, they should bring their completed heart to the front office to claim their prize!

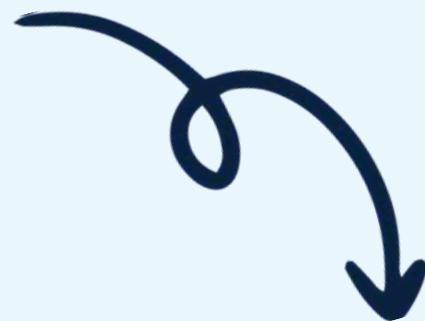

## As an icebreaker:

- Print the hearts below for the number you'll need based on the size of your staff. One heart = two staff members.
- Cut along the dotted lines to separate the pairs and pass out a card to each person, making sure to mix them up before distributing. We've included optional numbers/letters to help your team find their match more easily!
- Tell your staff to mingle and try to find their perfect pair.
- Once they find their soulmate, give them a chance to discuss a topic or have them share their answers to one of the questions below.
- Play a few rounds of this activity by giving your staff 20 seconds to switch their current card with another staff member and start the activity again!

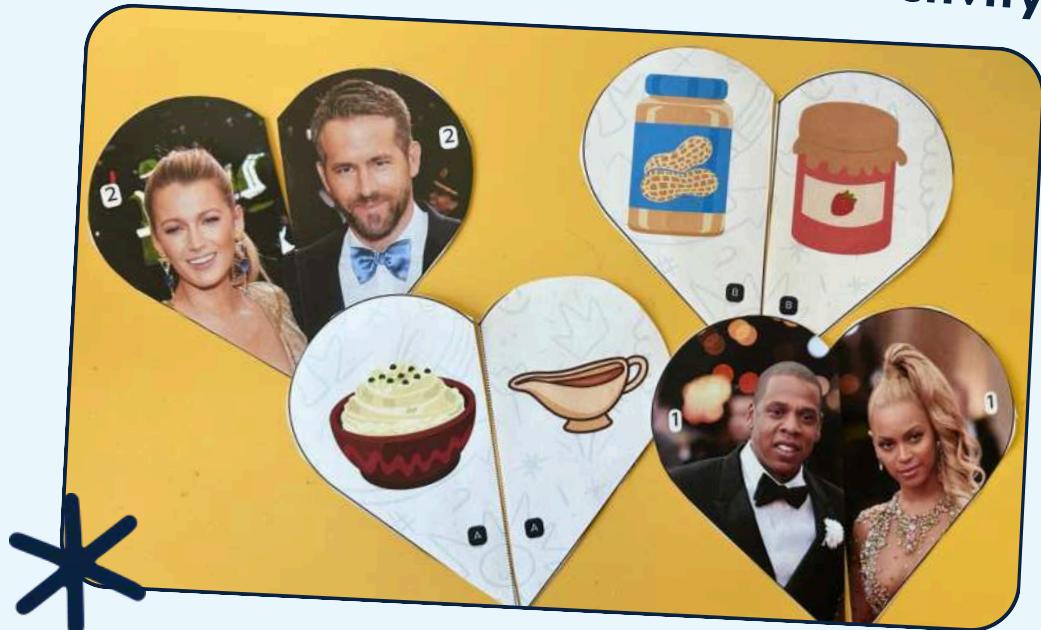

# ACTIVITY EXAMPLE

Here's a quick visual of the activity!
