## Highlights

The 2022 Cirrus SR22 GTS represents the pinnacle of single-engine performance, safety, and luxury. Delivered with the exclusive Carbon Edition package, this aircraft features a striking Neptune Blue and Sterling Silver exterior paired with a refined Obsidian Black & Alcantara interior.

Equipped with the Cirrus Perspective+™ by Garmin avionics suite, advanced safety systems including CAPS™, EVS, eTAWS, and Auto Yaw Damper, this SR22 GTS blends innovation with intuitive functionality. With approximately 90 hours total time and covered under the remainder of a 5-year spinner-to-tail warranty, it offers near-new condition and exceptional value for discerning aviators.
