

CIRRUS SR22 G3 GTS

2008 | VH-NOZ | AUD \$545,000+GST

The 2008 Cirrus SR22 G3 GTS is one of the most desirable aircraft in the SR22 lineup, combining the upgraded third-generation airframe with the premium GTS package. It features enhanced performance from the redesigned wing and increased useful load, along with the full complement of GTS options including advanced avionics, luxury interior upgrades, and integrated safety systems. With the Cirrus Airframe Parachute System (CAPS), exceptional cruise speeds, and renowned handling, the G3 GTS delivers a perfect blend of speed, capability, and comfort. Well-maintained examples remain highly sought-after for private owners, touring pilots, and business travellers wanting a reliable, high-performance piston aircraft.
