

2022 CIRRUS SR22 G6 GTS FIKI

\$1,225,000 + GST

This 2022 Cirrus SR22 GTS represents the flagship configuration of the SR22 G6 series, blending high performance, advanced avionics, and premium cabin comfort. Equipped with desirable options including Flight Into Known Icing (FIKI) and the balance of the 5-year Spinner-to-Tail warranty, it presents outstanding value in a late-model, fully specified aircraft.

The GTS trim features the fully integrated Garmin Perspective+™ flight deck with high-resolution displays, wireless connectivity, digital autopilot, and a suite of advanced safety technologies. Standard equipment includes the Cirrus Airframe Parachute System® (CAPS), along with Electronic Stability & Protection and envelope protection. FIKI certification further enhances dispatch reliability by allowing flight into known or forecast icing conditions. Inside, the GTS offers premium leather seating, climate control, and refined finishes, delivering a modern, comfortable cabin suited to both business and personal travel.
