

FOR SALE

2021 Cirrus SR22T G6 GTS

VH-JNR · AUD $1,275,000 plus GST

Carbon livery, the GTS package and a factory ice protection system on a 2021 SR22T G6 that has been hangared and privately flown from Sydney. Turbocharged for the flight levels, with built-in oxygen and the full Cirrus Perspective+ flight deck, this is the SR22T most buyers ask for and few find in this condition. Registered in Australia since new.
