

Eläinlääkäripäivät 2025, Tieteellinen posterinäyttely

Keltaisella nuolella (→) merkityistä aiheista pidetään lyhyet suulliset esityksen Tiede ja tutkimus - osiossa keskiviikkona aamupäivällä

Tuotantoeläimet

1. Adam, Magdy

Sedative Effects Of Detomidine, Xylazine, and Detomidine-Ketamine Combination in Calves Undergoing Cautery Disbudding

2. Ahlqvist, Kristina

Antimicrobial Use in Finnish Sows and Associated Herd Characteristics

3. Biström, Mia

Brucella Seroprevalence in Finnish Wild Boar

4. Biström, Mia

Typing Of APEC Isolates Revealed an Outbreak of Colibacillosis Caused by ST23 O78:H4 in Finland

5. Hukkinen, Vilja

Effects of Different Farrowing Systems on Farrowing and Piglet Growth and Survival

→ **6. Itkonen, Laura**

Porojen raadonavaukset ja kuolinsyyt Suomessa 2020–2025

7. Kupsala, Saara

Animal Caretaker Perceptions and Experiences of the Use of Local Anaesthesia in Piglet Castration in Finland

8. Niemi, Riitta

Prevention and Cure of Intramammary Infections - Clinical Field Trial on Selective Dry Cow Therapy

9. Nikunen, Sanna

Effect of Intranasal Bovine Respiratory Vaccination on Mortality, Average Daily Weight Gain (ADWG) and Use of Antimicrobials in Finnish Calf Rearing Unit

10. Tuomola, Kati

Veterinarians' Perceptions of Medication Safety Risks and Defences In Sow Farms

→ **11. Westerback, Jenni**

Assessing the Current State of Farmed Fish Welfare in Finland

12. Yrjänheikki, Sanna-Maria

Antibioottien vaikutus tiineen emakon ja sen porsaiden immuunijärjestelmään ja kasvuun

Hevoset

13. Jantunen, Noora

Effects of Vatinoxan in Horses Sedated With Detomidine and Butorphanol for Gastroscopy

14. Karikoski, Ninja

Changes in Serum Basal Insulin Concentration during Estrous Cycles in Healthy Mares

15. Määttä, Merita

Antimicrobial Resistance in Horses in Finland

16. Mönki, Jenni

Comparing Immunoglobulin G (IgG) Concentrations in Foals' Blood Using Three Different Methods

17. Pekkarinen, Henna

Correlation of Rectal Biopsy Findings with Mucosal Changes Elsewhere in the Equine Intestine

18. Pärssinen, Katarina

Mcr-9.1-Harboured ESBL *Enterobacter Cloacae* Complex Isolates in Horses at an Equine Hospital Over a Decade (2011–2023) With Clonal Spread of the High-Risk Clone *E. Hormaechei* ST781

19. Rossi, Heini

Survey of Rider and Horse Size Proportions and Associated Rider Perceptions

20. Weckman, Johanna

Evaluating the ARGLU1 Gene Polymorphism as a Candidate Gene for Insulin Dysregulation in Finnhorses

Pieneläimet

21. Beasley, Shea

Efficacy of a Complementary Feed Containing Fibre and *Bacillus Velezensis* C-3102 in the Management of Anal Sac Impaction in Dogs

22. Hukkinen, Vappu

Antimicrobial Peptides in Bronchoalveolar Lavage Fluid of Irish Wolfhounds with Recurrent Bacterial Pneumonia

→ **23. Laurila, Henna**

Cephenemyia ulrichii -Botfly Myiasis in Two Dogs with Acute Respiratory Signs

24. Lilja-Maula, Liisa

Lumbosacral Transitional Vertebra Breeding Program Outcome and Estimated Heritability in German Shepherd Dogs in Finland During 2013-2023

25. Lindh, Emily

Vatinoxan Increases Medetomidine, Midazolam, and Fentanyl Concentrations in Rat Central Nervous Tissue

26. Neittaanmäki, Henriikka

Effectiveness of Neurokinin-1 Receptor Antagonist for the Treatment of Chronic Inflammatory Rhinitis in Dogs

27. Nurminen, Reeta

ESBL/AmpC/carbapenemase/VRE -producing *E. coli* and *K. pneumoniae* in owned and sheltered dogs in Crete, Greece

28. Turunen, Kami

Musculoskeletal Health and Exercise Habits in Finnish Dachshund Population

29. Viitanen, Sanna

Inflammatory Biomarkers in Canine Bronchial Diseases

Elintarvike- ja ympäristöhygienia

30. Holopainen, Riikka

Strengthening Preparedness and Collaboration in Cross-Border Zoonotic Pathogen Surveillance Through OH4 Surveillance Project

31. Kivistö, Rauni

Population Genetics of Antibiotic-Resistant *Campylobacter jejuni* in Broilers in Finland

→ **32. Laukkanen-Ninios, Riikka**

Meat Inspection Findings of Slaughter Pigs in Finland 2016–2023

33. Laukkanen-Ninios, Riikka

Common Meat Inspection Findings of Sheep in Finland

34. Loikkanen, Emil

Hepatiitti E -viruksen ja hiiren noroviruksen inaktivaatio makkaravalmisteiden teollisissa käsittelyprosesseissa

35. Maunula, Leena

Occurrence of Human Norovirus, Hepatitis E Virus, and SARS-Cov-2 in River Water (River Vantaa) and Treated Wastewater, in Finland

36. Maunula, Leena

Long-Term Survival of Murine Norovirus, Simian Rotavirus, And Porcine Sapovirus in Drinking Water

37. Nihtilä, Nina

Lampaiden ruhojen bakteerikontaminaatio

38. Roininen, Essi

Prevalence of Selected Fecal Pathogens, Liver Flukes and Fecal Indicator Bacteria in Aquatic Environments At Sheep Farms In Finland

39. Rytkönen, Annastiina

Molecular Methods for Pathogen Detection and Verification From Grazed Environments
