

Built to scale with your business.

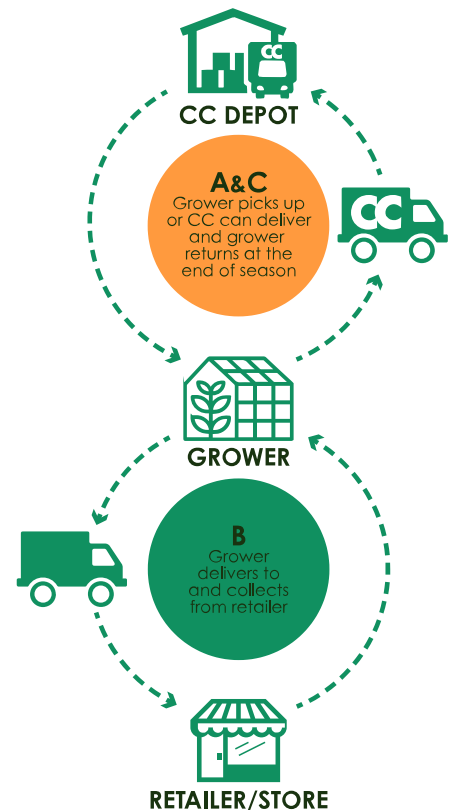

Short-Term Rental is flexible enough to meet your business needs all year.

Why term rental?

- Slash capital spend on excess equipment
- Scale instantly during peak seasons
- Pay based on your usage
- Smarter logistics mean less stress
- Utilize CC's RFID tracking to exchange carts and allocate costs based on usage

How it works:

- Invest 25% in the CC pool for Long-Term Access (LTA)
- Access the remaining 75% via Short-Term Rental with peak/non-peak pricing

Discover how **term rental** can work for you.

Let's build your flexible equipment plan.
