

BOLDLY GO

PHILANTHROPY

OVERVIEW

Boldly Go Philanthropy helps philanthropists, foundations, corporate givers, wealth advisors, and community foundations achieve outsized impact through innovative strategies, practical approaches, and trusted advice. They offer services to manage execution, navigate board and family dynamics, and enhance the ability of their clients to solve issues and address inequities.

Thematic Priorities

Environment <i>Addressing climate change impacts, improving water and air quality, preserving biodiversity, tackling environmental injustice, and enhancing education and engagement about the natural world</i>	Civic Engagement <i>Improving civic learning and engagement, uniting people across divides to solve community problems, and strengthening democratic institutions</i>	Arts & Culture <i>Improving access to the arts, building the capacity of artists and arts and cultural institutions, and leveraging the arts to promote diversity and community inclusion</i>
Education <i>Supporting students across the education pipeline, from early childhood to college, and strengthening education and employment systems</i>	Health & Human Services <i>Improving access to health care, closing health disparities, developing public health campaigns, and ensuring access to nutritious food, housing, and safe living outcomes</i>	Racial Equity <i>Tackling systemic racism to address inequities in economic, educational, health, environmental, and other social outcomes</i>
Economic Opportunity <i>Investing in workforce development, entrepreneurship, financial literacy, and policies that break the cycle of poverty and build strong communities</i>		

Services Offered

Structure & Operations	<i>Helping clients create and refine the operational framework of their philanthropic endeavours.</i>
Leader-to-Leader Advising	<i>Providing experienced guidance and advice from former foundation CEOs</i>
Full-Service Philanthropy	<i>Offering comprehensive philanthropic services that cover all aspects of grantmaking and program management</i>
Grantmaking	<i>Developing and managing high-impact grantmaking programs and initiatives</i>

Vision & Strategy	<i>Helping clients define their philanthropic vision and develop strategic plans to achieve their goals</i>
-------------------	---

Main Engagement / Stakeholders

- Individuals & Families: Advising high-net-worth individuals and families on their philanthropic strategies.
- Foundations: Partnering with private and family foundations to enhance their impact.
- Corporate Givers: Working with corporations to develop and manage their corporate social responsibility and philanthropic initiatives.
- Wealth Advisors: Helping wealth advisors meet the philanthropic goals for their clients.
- Community Foundations: Collaborating with community foundations to improve their grantmaking and community impact.
