

OVERVIEW

BOLD Earth Collective is a boutique philanthropic advisory firm focused on mobilizing investments toward ambitious and systemic climate, nature, ocean, and equity solutions. They collaborate closely with philanthropists—including family offices, foundations, and corporations—to connect them with high-impact initiatives and shape visionary portfolios.

United States

Sheridan, Wyoming

Thematic Priorities

Climate Action	Nature & Ocean Preservation	Equity & Social Inclusion
Scaling bold, systems-level interventions to reduce greenhouse gas emissions.	Supporting projects that reverse biodiversity loss and regenerate ecosystems	Integrating justice and equity into philanthropic strategies to ensure inclusive impact.

Services Offered

Vision & Portfolio Strategy	Project Diligence & Support	Institutional & Ecosystem Strengthening
Helping donors define strategic impact goals, map funding landscapes, and create actionable roadmaps. This includes curated learning journeys, strategic planning, and gap/opportunity analysis.	Thorough vetting of funding opportunities through due diligence and sourcing of mission-aligned projects.	Enhances long-term effectiveness through organizational development, workshops, funder convenings, sustainable investing frameworks, and strategic ecosystem-building.

Partners and Stakeholders

- **Philanthropic Investors:** High-net-worth individuals, family offices, institutional funders, and corporations seeking transformative climate and equity engagement.
- **Social Innovators & Enterprises:** NGOs, social-purpose ventures, and entrepreneurs delivering bold, scalable impact.
- **Ecosystem Partners:** Collaborations across the spectrum of impact capital, including impact investors and mission-aligned financial partners.
- **Strategic Advisers & Thought Partners:** BOLD Earth's team (including its founder, listed on LinkedIn as Sahar Tejpar) and its network of experts and sector partners
