

OVERVIEW

Hispanics in Philanthropy (HIP) serves as a philanthropic catalyst to dismantle the inequities affecting the well-being and success of Latines by activating donors to mobilize resources, strengthen Latine power, participation, connections, and leadership.

Thematic Priorities

Latine Leadership & Influence	Equitable Funding Flows	Global Latine Community Issues
Strengthening Latine influence by connecting donors, leaders, and movements in shared action.	Redirecting resources to grassroots Latine-led organizations driving community-rooted change.	Addressing the networks and infrastructure that sustain long-term impact for Latine communities.

Services Offered

Grantmaking	Philanthropic Advisory	Capacity Building	Networking & Advocacy
Support funders in reaching Latine-serving nonprofits that drive change in their communities.	Equipping donors with knowledge and tools to strengthen their impact.	Helping nonprofits grow organizationally and boost leadership.	Connecting funders and stakeholders within the Latine philanthropic ecosystem.

Partners and Stakeholders

- Latine nonprofits & leaders: Core partners of funding and support.
- Philanthropic institutions: Funder partners committed to equity.
- U.S. and Latin American communities: Partners and collaborators.
- Network partners: Drive strategy and implementation
