Thematic Priorities

<i>Black Entrepreneurship</i>	<i>Gender Equity</i>	<i>Environment and Climate Change</i>	<i>Education</i>
<i>Supports initiatives that expand the creation of employment and income opportunities and the economic empowerment of Black populations from traditional and peripheral communities.</i>	<i>Supports initiatives that promote gender equality, combat gender-based violence, and advance the rights and socioeconomic empowerment of women, girls, and LGBTQIA+ populations, including reproductive health and rights</i>	<i>Supports initiatives that strengthen Indigenous and traditional communities through sustainable livelihoods and regenerative practices across all six Brazilian biomes, and supports environmental organizations focused on conservation and climate adaptation.</i>	<i>Supports initiatives that focus on digital inclusion, teacher training, school administration, and equitable educational access for girls and Black children, with an emphasis on innovation and excellence in pre- and primary education.</i>

Services Offered

<i>Grantmaking and Capacity Building</i>	<i>Donor Advised Funds (DAF)</i>	<i>Strategic Partnerships/ESG</i>
<i>Selects and funds CSOs, providing financial resources, technical assistance, and knowledge sharing to enhance organizational</i>	<i>Enables donors to establish funds with tax benefits, recommend grantees, and create a philanthropic legacy for future generations</i>	<i>Collaborates with individuals, families, and companies to design and implement targeted philanthropic strategies, including grantee selection and capacity</i>

<i>effectiveness and impact</i>		<i>building</i>
<p>Designated Funds</p> <p><i>Manages international donations for specific Brazilian CSO organizations, facilitating cross-border giving and compliance</i></p>	<p>Pass-Through Gifts</p> <p><i>Offers a simple, tax-efficient mechanism for donors to support Brazilian organizations, handling due diligence and fund transfers</i></p>	<p>Endowment/Planned Giving</p> <p><i>Secures Brazil Foundation's long-term sustainability and creates permanent impact by establishing lasting sources of support</i></p>

Main Engagement / Stakeholders

- Brazilian CSOs and Grassroots Initiatives: Primary recipients of funding, technical support, and capacity building.
- Donors (Individuals, Families, Companies, Foundations): Philanthropists and corporate partners who provide resources and strategic direction.
- Underrepresented and Marginalized Communities: Beneficiaries of funded projects, including Indigenous populations, traditional communities (quilombola and riverine), Black entrepreneurs, women, girls, LGBTQIA+ individuals.
- Global Supporters and Philanthropic Networks: International allies and partners who contribute expertise and resources to **Brazil**Foundation's mission.
