

INTRODUCING THE

CLIMATE CARE SMART COMFORT SYSTEM™

The smarter way to protect your home and avoid expensive HVAC breakdowns.

DETECT PROBLEMS BEFORE THEY TURN INTO \$500-\$1,500 REPAIRS.

WHY THIS MATTERS

- Most HVAC breakdowns happen without warning.
- Small issues turn into expensive repairs if they're not caught early.
- Emergency HVAC repairs can cost \$500 to \$1,500 or more.

WHAT THIS SYSTEM DOES FOR YOU

- Monitors your system 24/7 for performance, efficiency and issues.
- Alerts you before small problems become major failures.
- Helps extend the life of your system and keeps it running at peak performance.
- Keeps your home comfortable while helping lower energy costs.

ADVANCED MONITORING & PROTECTION

- 24/7 LIVE SYSTEM MONITORING**
We watch your system around the clock so small issues don't become big (and expensive) problems.
- VIRTUAL PERFORMANCE TESTING**
Advanced tests help us evaluate your system's performance without an in-person visit.
- MOBILE APP CONTROL**
Adjust settings, check performance and get alerts — all from the convenience of your phone.
- PRIORITY SERVICE INTEGRATION**
As an Elite member, you get priority scheduling and faster response when you need service.
- SMART CLIMATE CONTROL**
Automatically adjusts to keep your home comfortable while helping improve system efficiency.
