Literacy

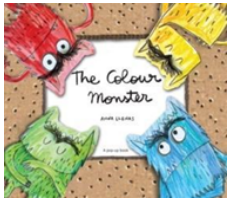

We will explore a range of texts together using our topic themes as the core of our literacy learning. We will also continue to build our phonics awareness and apply phonetic knowledge to our literacy tasks.

Literacy texts will include:

The Colour Monster

The Colour Monster Goes to School

…and other related texts.

Maths

Place Value

Recognise tens and ones, count objects to 100 by making 10s, use a place value chart, partition numbers, write numbers in words, use number lines, compare and order objects and numbers, count in 2s, 5s, 10s and 3s

Me and My World

Year 2

Term 1a : 2026-2027

Mr John Carthew

jcarthew@visp-sey.com

Topic

Me and My World

This is a great topic to help build confidence in the classroom and beyond. We will support the children in feeling valued and sharing who they are. They will learn about identifying and understanding their own emotions. We will also be exploring and discovering the school and surrounding area.

Computing / E-safety

We will be working on basic computing skills and learning about the hardware and software of computers. We will learn about being safe online and keeping personal information safe.

Science

The Human Body

Learn about the human body and senses. Identify, name, draw and label parts of the human body, Explore the senses of sight, sound, taste, touch and smell.

French

GREETINGS: Appreciate stories, songs, poems and rhymes; Engage in conversations, ask and answer questions in the context of greeting people in the language taught..

NUMBERS 1-20: Appreciate stories, songs, poems and rhymes in the language; in the context of counting

COLOURS: Naming and identifying at least 12 colours in French.

P.E.

Gymnastics & Handball We will continue developing movement skills. Pupils will explore balances, travelling and simple sequences in gymnastics. They will develop their throwing, catching and movement skills through fun handball activities. Throughout the half term, we will encourage teamwork, confidence and a positive enjoyment of PE.

Art / D.T.

We will explore primary and secondary colours through expressive mark-making, linking colour, mark and texture in abstract work. They then study brushwork details from two old masters, before drawing a colourful painting and creating expressive, gestural paintings.

Reminders / Suggestions

Thursday :

- Library books, homework and reading books to be in and refreshed.
- PE - Arrive in uniform, bring PE kit to change at school.
