Along the way, there is drama, poetry, grammar skills, vocabulary work recount and diary writing.  Ancient Greece Year 4 Term 1 2026-2027 Miss Noella mpirame@visp-sey.com 	Topic <u>Ancient Greece</u> This unit aims to give an overview of life in Ancient Greece, including a focus on its achievements and influence on the western world. There is an emphasis on allowing pupils to consider the sources of evidence that form our understanding of this period of world history.  <u>Digital Literacy / Computing</u> <u>E-safety / Animation:</u> We will continue our E-safety journey, while the focus is on Animation: Principles and techniques. History of animation, before computers; Types of animation; Software animation types and techniques; Evaluate our own work 
Science <u>Living things and habitats</u> In this unit, pupils classify animals as vertebrates and invertebrates, Explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment.	French (Miss Lindy) <u>ALL AROUND TOWN</u> Ask and answer several simple and familiar questions with a rehearsal response. Engage in a short conversation using familiar questions and express opinions on a given topic. Say and describe in French what amenities or features are found in their own town. Recognise, understand and follow common classroom instructions in French.	P.E. (Mr Clayton) Year 4 will develop their skills in netball and basketball through a range of exciting practices and games. Pupils will focus on passing, catching, movement, shooting and using space effectively. While beginning to apply these skills in competitive situations. Lessons will promote teamwork, communication and confidence as pupils develop their understanding of both sports. Wear P.E. kit to school on Tuesday and a Friday
Art (Miss Mirfin) Ancient Greece The children will explore ancient Greek architecture and make ancient Greek columns. 	Reading at home Reading to and with children builds language skills, supports brain development and sets the foundation for lifelong academic success. Please make time for children to read/ listen to books that they enjoy at home. Children will have access to the library every Thursday. Please talk to them about the books they have chosen and support them to fill in their reading record as every signed read goes towards their certificates.	Reminders - Homework: Weekly/One piece of English and Maths - Project- One per term related to Topic - Spelling- One new sheet every Friday/ Test every Friday - Please bring your House Top and PE shorts every Friday for House Challenge.
