

English (Mr Clayton) Class novel: The Wild Robot Using our class text 'The Wild Robot' by Peter Brown, we will explore a range of writing styles including: writing dialogue, an adventure story opening, developing a dilemma within an adventure story, a diary entry, and a short personal reflection. Our punctuation focus: Capital letters, full stops, commas, exclamation and question marks, apostrophes for possession and omission, parenthesis: brackets. Our vocabulary focus: Powerful verbs and synonyms for looking, travelling and motion. Sensory words – sounds, smells, textures, tastes, feelings. Our conjunctions focus: Because, although, however, if, since, when, whereas, as, until. Luke Clayton lclayton@visp-sey.com 	Maths Place Value: • 1s, 10s, 100s, 1000s • Numbers to 100,000 • Rounding numbers to 1,000,000 • Roman Numerals • Negative numbers Addition & Subtraction: • Recap column methods • Rounding and estimating • Inverse operations • Multi-step Problems Multiplication & Division: • Multiples & Factors • Prime, Square and Cube numbers • Multiplying by 10, 100 and 1000 • Dividing by 10, 100 and 1000	P.E. (Mr Clayton) The first focus of the year will be athletics and competitive games. Pupils will develop their fitness through athletics activities, focusing on warm-ups, stamina, speed, and coordination. They will also learn the skills, rules, and strategies of netball, working on: passing, movement, teamwork, and gameplay in a competitive setting. Wear P.E. kit to school on Wednesday. Bring P.E. kit to school on Fridays for House Challenge. 
Science (Miss Victoria) Forces Investigating a range of different forces, including gravity, air resistance, water resistance and friction, the class will plan experiments to test these forces in action and see how they affect our everyday lives. We will look to see how nature (including humans) has successfully adapted to utilise these forces. 	French (Miss Lindy) Talking about yourself/your family The class will learn how to: • Write their own name, age, birthday, favourite colour, and understand descriptions. • Describe the name, age and likes of someone else in the family. Numbers: • Count, read, write and pronounce numbers from 1-100 in French. • Recognise, understand and follow common classroom instructions in French.	Topic We will investigate a range of amazing inventors that have created life-changing products. From Thomas Edison's light bulb and the Wright brothers' first aeroplane, to Steve Jobs' Apple technology and Mark Zuckerberg's Facebook, we'll explore their personal stories and consider the effect that their inventions have had on the world around them. 
Art (Miss Mirfin) We will be developing our sketching skills by focusing on adding depth to shadows and highlights for areas of light. We will be using sketching pencils, coloured pencils and pastels. 	Reading at home Reading to, and with children, builds language skills, supports brain development, and sets the foundation for lifelong academic success. Please make time for children to read/ listen to books that they enjoy at home. Children will have access to the library every Thursday. Please talk to them about the books they have chosen and support them to fill in their reading record.	Reminders - If you are available, please attend the Parent Introduction Meeting on Tuesday 15th September at 2:20pm. - Please bring your House Top and PE shorts every Friday for House Challenge.
