Agenda Items & Notes:

1. **Review Bylaws**: Bylaws were reviewed and members would like to keep the Bylaws as is.
2. **CEP Data Analysis**: Grades 3-5 MAP Growth:
   -According to BOY MAP ELA data, grade 3 is currently 23% proficient.
   -The weakest strand in grade 3 is vocabulary.
   According to BOY MAP ELA data, grade 4 is currently 47% proficient.
   -The weakest strand in grade 3 is vocabulary and language, craft, and structure.
   According to BOY MAP ELA data, grade 5 is currently 32% proficient.
   -The weakest strand in grade 3 is vocabulary.
   -Teachers use the SOLVED platform and they can see the NYS Exam scores. When they use the item skill analysis, they can see which questions stumped students, they can pull up the actual question, and they can teach into the misconception.
   -According to BOY MAP math data, grade 3 is currently 37% proficient.
   -The weakest strand in grade 3 is geometry.
   - According to BOY MAP math data, grade 4 is currently 52% proficient.
   -The weakest strand in grade 3 is geometry.
   - According to BOY MAP math data, grade 5 is currently 39% proficient.
   -The weakest strand in grade 3 is geometry.
   -During Parent Teacher Conferences, parents should receive a copy of the MAP family report. Parents can ask questions about this data.
3. **PTA Updates**: The PTA is planning to have a Holiday sale.
4. **Title 1 Spending Plan**: The Title 1 Set aside funding was surveyed at the last PAC meeting. The survey results show that parents were interested in

using the money for parent workshops, like the nutrition workshops we have hosted in the past.

5. **BCA**: The BCA will continue their program through the winter break for students in the school building.
6. **Title III Afterschool**: This program is being offered for students that are taking the WIDA exam this school year. The exam is computer based for grades 1-5, however Kindergarten will be fully paper based and grades 1-3 have a paper-based writing section. We met with a representative from Sussman for WIDA aligned practice, however there is no online component that is ERMA approved as of right now. We are awaiting a response from RALLY Education because they have a WIDA online practice tool.
7. **Enrichment Afterschool**: We have a chess program for afterschool, and the chess teacher is interested in bringing students to the chess tournaments. We also have drumming, Mexican Dance, and Maker Space. Chorus and yearbook will begin soon.
8. **Arts**: We have a few programs in our school including studio in a School, and a residency with the Morgan Library. We received an art award of $18,000.
9. **Kitchen Progress**: The kitchen work is supposed to be completed by November 30th. The next plan is to begin work on the two school yards.
