The winery represents a fusion of Japanese tranquility and high-elevation California viticulture, with vineyards meticulously managed by celebrated viticulturist David Abreu. Under the guidance of world-class winemakers like Heidi Barrett and now Helen Keplinger, the estate produces elegant, culinary-versatile wines celebrated for their balance and restraint.

Kenzo Estate has partnered with Prime29 to feature their exquisite wine selections in a specialized 375ml format. This partnership allows guests to enjoy the estate's world-class craftsmanship in "perfect portions," ideal for curated pairings or a more intimate dining experience.
