WAIVER

ACKNOWLEDGMENT OF RISK, PARTICIPATION CONDITIONS & IMAGE NOTICE

X-WARRIORS / X-LITE / X-FULL / X-TITAN

In consideration of being permitted to participate in an X-WARRIORS competition, obstacle race, related activity or event (the "Event"), I confirm that I have read and understood the following terms:

1. INHERENT RISKS. Obstacle and trail racing is physically demanding and involves risks including slips, falls, collisions, cuts, sprains, fractures, exhaustion, dehydration, heat or cold exposure, water hazards, natural terrain, adverse weather, insects, animals, infection, permanent injury and, in extreme cases, death. Obstacles, surfaces and natural water may present unknown hazards. Safety measures reduce but cannot eliminate these risks.

2. VOLUNTARY PARTICIPATION AND ASSUMPTION OF ORDINARY RISKS. I voluntarily participate, accept the ordinary and inherent risks of the Event, and understand that I must exercise reasonable care. Nothing in this waiver excludes or limits liability where exclusion is prohibited by applicable law, including liability for intentional misconduct or gross negligence.

3. RACE RULES AND INSTRUCTIONS. I will follow published race rules, the instructions of organizers, marshals and medical personnel, and all required safety procedures. If I observe a significant hazard, feel unwell or cannot safely continue, I will stop and inform the nearest official. The organizer may withdraw or disqualify me for safety reasons or serious rule violations, subject to applicable law.

4. ORGANIZER AND RESPONSIBILITY. For purposes of this waiver, the organizer is A.S.D. XWARRIOR, c/o Studio Pace, Via Ravenna 81, 65122 Pescara, Italy, together with its event staff and authorized service providers. I acknowledge that liability is governed by applicable Italian law. No term of this waiver waives non-excludable legal rights or creates an unlimited duty for me to indemnify the organizer.

5. HEALTH, FITNESS AND MEDICAL DOCUMENTATION. I declare that, to the best of my knowledge, I am fit to participate and have prepared appropriately for the Event. I will not race while suffering from a condition that makes participation unsafe. I will provide any medical certificate or other evidence legally required for my circumstances and race division. In particular, applicable medical and CSEN membership requirements must be satisfied before participation; insurance coverage is governed by the relevant policy terms, not this waiver. I am responsible for checking whether additional travel, accident, medical-treatment or repatriation cover is appropriate for me.

6. EMERGENCY ASSISTANCE. If necessary, I authorize qualified personnel to provide or arrange emergency first aid and medical assistance when I cannot reasonably give instructions. This does not waive any rights concerning negligent medical treatment, and it does not replace my own travel or accident insurance where appropriate.

7. PERSONAL PROPERTY. I am responsible for my own belongings. Any designated baggage-drop area is unsupervised. The organizer is not responsible for ordinary loss or theft except where liability arises under applicable law.

8. ATHLETE CANCELLATION, NON-PARTICIPATION AND TRANSFERS. If I cancel or do not participate, my registration and entry fee are normally final and non-refundable. Registrations cannot be transferred to another person, race or event year. In a documented serious medical condition, injury or exceptional family emergency, the organizer may, at its discretion, issue a one-time personal 50% discount for one new registration in the immediately following event year. Supporting evidence must be proportionate and handled in accordance with applicable privacy law. This is an optional goodwill benefit, not a refund or transfer. No other deferral or transfer is promised. Mandatory statutory rights remain unaffected.

9. EVENT CANCELLATION, POSTPONEMENT OR MATERIAL CHANGE BY THE ORGANIZER. For legitimate safety, adverse weather, natural hazards, public-authority orders, public-health circumstances or other compelling operational reasons, the organizer may cancel, postpone or materially modify the Event, subject to applicable law. The organizer may change the course, obstacles, schedule or start arrangements where reasonably necessary for safety or orderly delivery, and will communicate material changes through official channels. If the organizer cancels the Event, the organizer will provide TWO separate 50% discount codes for registration in the immediately following event year: (a) one code exclusively for the originally registered athlete, which is personal and non-transferable; and (b) one additional code which that athlete may assign to ONE person of their choice for that person's new registration. Each code may be used once for one registration, cannot be exchanged for cash, cannot be combined with other promotions, and expires after the immediately following event edition. These codes are not a transfer of the original entry, and the organizer's general policy is not to refund the original entry fee, except where reimbursement or another remedy is required by mandatory applicable law. No part of this clause limits any mandatory right arising from cancellation, postponement or non-performance.

10. RACE IDENTIFICATION AND TIMING EQUIPMENT. I must wear my assigned race-number wristband, category-color headband and timing chip in accordance with race rules. The headband may be kept after the race. The timing chip must be returned at the finish; loss or non-return incurs a EUR 50 replacement charge, subject to applicable law. X-Titan participants receive a single chip to be retained after X-Lite and returned after X-Full. I may not let another person use my entry, race number or chip.

11. PHOTOGRAPHY, VIDEO AND RESULTS. I understand that the Event may be photographed or filmed and that race results and essential athlete information may be published for the legitimate operation and reporting of the Event, subject to applicable privacy law. Any optional promotional use requiring consent will be handled through a separate, freely given choice. Professional photos may be offered by an external photography provider; any facial-recognition search must be governed by a separate lawful privacy notice and, where required, explicit consent. Signing this waiver does not itself grant blanket consent for biometric processing or marketing.

12. ACKNOWLEDGMENT. I confirm that I have read this waiver and the published race rules, understand its content, and agree to the participation conditions insofar as permitted by applicable law. The waiver does not replace the separate Registration Terms & Conditions and Privacy Notice, which are made available before purchase. If any provision is invalid or unenforceable, the remaining provisions shall continue to apply to the extent legally possible.

13. OFFICIAL EVENT COMMUNICATIONS. The organizer may communicate practical information, safety instructions, schedules and material operational changes using the email address supplied at registration, the official event website and on-site briefings. I am responsible for checking official updates reasonably made available before and during the Event. A material contractual change remains subject to applicable law.

14. REGISTRATION TERMS AND OPTIONAL DEFERRALS. The conditions governing payment, withdrawal, cancellation and any optional accommodation are stated in the Registration Terms & Conditions shown before payment. Except for the specifically described goodwill concessions, WARRIORS does not offer routine transfers of a registration to another person, category, race or year. Any exceptional concession must be confirmed in writing by the organizer and cannot be inferred from practices of other race organizers.

PRIVACY INFORMATION (GDPR)

The organizer processes the personal information necessary for registration, verification, timing, safety, results and event administration in accordance with Regulation (EU) 2016/679. Where applicable, data may be shared with timing, medical, insurance and other authorized service providers. The appropriate legal bases, retention periods, controller contact details and rights are set out in the current Event Privacy Notice, which must be supplied at or before registration. Data required to deliver the Event may be necessary for participation.

Optional promotional image uses that require consent and biometric facial-recognition services must use separate, specific and freely given choices. Refusal of optional consent will not affect participation, except where a particular optional feature cannot function without that processing.
