

# Savings Fund

## Fact Sheet

31 December 2025

### About Wedge

Wedge Management Limited ('Wedge') is a proudly New Zealand owned and operated licenced fund manager. Our team has decades of experience managing some of the largest and most awarded cash and fixed interest funds in the country, allowing us to bring much needed competition to New Zealand's bank-dominated savings market.

### About the Fund

The purpose of the Wedge Savings Fund ('Fund') is to help people save faster, by bringing the best of a bank savings account into a managed fund.

To achieve this, the Fund invests in cash, cash-equivalent, and fixed interest assets sourced from across global wholesale money markets. These assets, which are typically only accessible by institutional managers like us, offer higher interest rates than on-call bank savings accounts do in New Zealand.

The objective of the Fund is to provide an annualised return after fees and before tax (called the 'Set Rate') above the on-call bank savings rate, while maintaining a stable capital value and providing members ready access to their money.

#### Wedge Savings Fund

average Set Rate for December 2025

**3.00%**

#### On-call bank savings rate

average for December 2025<sup>1</sup>

**1.08%**

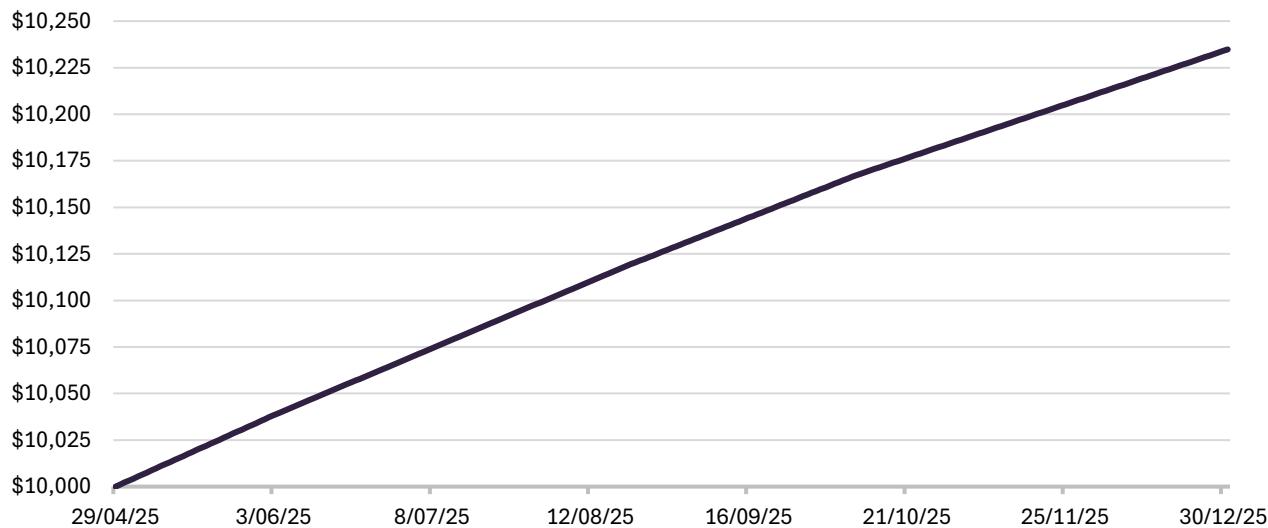

#### Set Rate Margin

over average on-call bank savings

**+1.92%**

Past performance is not indicative of future results. Rates are after fees, before tax.

### Growth of \$10,000 invested in the Fund since inception

**#1**

**New Zealand's highest on-call savings rate**

as at the date of this Fund Fact Sheet

## Notes

1. Source: [Reserve Bank of New Zealand](#) – “Savings accounts: Unconditional”.
2. As the Fund has existed for less than 5 years, the risk indicator has been calculated using market index returns (from the Bloomberg NZBond Bank Bill Index) over the last 5 years to 31 December 2025 rather than actual returns. As a result, the risk indicator may provide a less reliable indication of the potential future volatility of the Fund.
3. The Fund provides an annualised daily return after management and administration fees and before tax (the ‘Set Rate’). The total fund charges estimated here will not reduce your return at the Set Rate. The Set Rate is set by Wedge each day and is disclosed on our [website](#) and mobile application. Wedge does not charge a management fee to the Fund.
4. As the Fund has existed for less than a full disclosure year, the other management and administration fees have been estimated. The Fund and underlying funds will incur charges such as initial set up costs, and costs for services such as supervision, registry, custody, and fund accounting. These services are provided by independent third parties, whose fees are tiered based on the funds under management in each fund. The assumptions on which this estimated expense are based may therefore result in charges being more or less depending on the future size of these funds. They do not include any one-off or extraordinary expenses or fees.

As the Fund has existed for less than a full disclosure year, the total performance-based fee has been estimated. The assumptions on which this estimate has been calculated are that:

the Fund pays an annualised Set Rate that is 0.50% per annum above the Official Cash Rate (‘OCR’), and the return of the Fund is 0.60% per annum above the Bloomberg NZBond Bank Bill Index (‘BNZBIL Index’).

The actual performance-based fee on the Fund may be more or less than this estimate. The actual Set Rate paid by the Fund may be more or less than 0.50% above the OCR, and the actual return of the Fund may be more or less than 0.60% above the return of the BNZBIL Index. Therefore, the actual performance-based fee may be more or less than this estimate.

## Disclaimer

This document has been prepared by Wedge Management Limited (‘Wedge’). It is based on information believed to be accurate and reliable although no guarantee can be given that this is the case.

This document has been produced for information purposes only and should not be interpreted as financial advice or a recommendation of any sort that the Wedge Savings Fund (‘Fund’) is suitable for your requirements.
