Welcome

Modern dentistry is evolving. It's a more comprehensive approach, focused on achieving the best dental health for you. It's about helping you look after your teeth and working together to prevent problems. It's about giving everyone the best smile possible and then keeping it that way for a lifetime.

It's probably the initial impression that confirms why HRS Dental Care is a very different Practice. A Practice that is comfortable, spotlessly clean, carefully designed to make you feel instantly at home, where a warm welcome is guaranteed and simple courtesy is simply essential. Where our Dentists and Hygienists have leading technology at their fingertips. Where we pride ourselves on delivering what others only aspire to through years of training and experience. Your teeth are in very good hands.

We are delighted to offer membership of our practice, which enables us to provide you with the treatment and support necessary to control dental disease and keep your mouth at full fitness.

Dental care with us

All our clients are unique individuals and, while we tailor any individual treatment needs for you, there are several memberships which are designed to deliver a flexible membership to suit you. Every membership means that your dentistry will be delivered with the outstanding customer service people have come to expect from HRS Dental Care.

Membership packages are recommended on clinical need on an individual basis, and levels vary from our basic, no frills **Economy™** package through to our bespoke **Elite™** package.

In case of an emergency during Practice hours, please contact the Practice immediately. We will always endeavour to see a patient in pain on the same day.
