COWLEY  
MANOR  
EXPERIMENTAL

Experimental Cocktail Club first opened its doors onto the streets of Paris in the Summer of 2007. Our passion for serving cocktails is at the heart of what we do, resonating in each one of our bars, hotels and restaurants. A touch of New York and London with the elegance of Paris, where local spirits come to life. You can find Experimental Cocktail Club in Paris, London, Verbier, Venice and now in the Cotswolds.
