

BLS Product Packages Summary

SHIELD	FORTIFY	SAFEGUARD	SENTINEL
Get a fast compliance health check to identify missing documents or gaps that are blocking your Amazon listing, with clear recommendations to resolve issues quickly.	Access a structured plan to fix documentation, pass Amazon’s compliance checks, and receive ready-to-use templates for submissions—perfect for sellers who need to get products back online fast.	Collaborate with BLS experts to assemble audit-ready files, address multi-region compliance, and unblock listings in additional marketplaces, saving time and reducing risk.	Rely on BLS for concierge-level support for highly regulated or multi-region products, including lab coordination and end-to-end compliance management, so you can focus on selling while BLS handles the details.
