Commitment to a Safe and Enjoyable Experience

Edmonton Warriors Soccer Club, (the “organization”) is committed to providing a safe, welcoming and enjoyable environment for all who choose to access its programs, facilities and activities.

A safe, welcoming, and enjoyable environment is one that is free of harassment and permits all participants to have fun participating safely in all activities. In support of this commitment, the Organization offers the following programs, training and activities that endorses these virtues of a safe and enjoyable environment and experience for all participants. (please provide examples on welcome and/or parent meetings, new member initiatives etc)

The Edmonton Warriors Soccer Club is delivered almost exclusively by volunteers. We exist to promote, develop and govern the soccer program on behalf of our members. We provide soccer playing opportunities for every youth regardless of gender, race or age. We are committed to development and training to improve our program so that it is enjoyable for our players, their parents, coaches and our volunteers. We follow these safety policies as outlined on the Alberta Soccer website to ensure all players and their families have fun and are safe while participating in our program:

Lightning Safety/Severe Weather Policy
Alberta Soccer Air Aware Program Emergency Action Plan
Alberta Soccer - Extreme Heat Guide Field Safety Checklist Emergency Action Plan

We have established a Junior Director position to welcome our youngest players and their families into the program. Offering team building experiences, mini festivals and We also have multiple events for coaches and players through the year so that everyone can feel a part of that 'family-like' atmosphere.
