REZILIENT WITH WakeMed

There's nothing
more important
than your health

REZILIENT WITH WakeMed

Good health starts with great healthcare

Resilient Health is healthcare the way it should be: focused on improving your experience as a patient and helping you navigate your care to be your healthiest version of you.

With your Resilient Health benefit provided by WakeMed at no cost to you, you have access to affordable, exceptional primary care in-person in our CloudClinics, via at-home telehealth, and through text messaging.

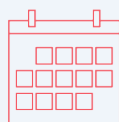

YOUR REZILIENT BENEFIT INCLUDES:

- \$0 copay no matter your appointment need
- \$0 deductible, for primary, urgent and speciality care appointments
- \$0 out of pocket expense for any Resilient provided service
- Care for you and your covered dependents aged 7 and older

MORE TIME WITH YOUR DOCTOR

Longer appointment times are our standard. Your doctor always has time to listen to you.

SAME-DAY AND NEXT-DAY APPOINTMENTS

Easy to book appointments at our newest CloudClinic location or from the comfort of your couch.

EXTENDED ACCESS TO YOUR CARE TEAM

Get hands-on care management for scheduling referrals, refilling medications, and more.
