We're Kicking Things Off

Game On

REZILIENT

OKLAHOMA STATE UNIVERSITY

Sports physicals are ready when you are.

As an eligible OSU medical plan member, you receive exclusive healthcare benefits.

Get a jump on the back-to-school prep and those required sports physicals for you and your eligible dependents age 7+, included in your medical plan benefits. Our clinic has all of the state-specific forms available and at **no additional cost**.

Sports physicals assess whether your dependent is healthy enough to safely participate in school sports. They:

- → Confirm if your dependent is ready to participate
- → Help catch potential health risks early
- → Give you confidence before the season starts

**Sports physicals do not replace annual wellness checks, do not include any vaccinations, and cannot be performed virtually.*

With Rezilient:
