BIO

As 1/2 of Cleveland party Heaven is in You, adab puts heavy emphasis on seeking the unifying elements in the world and themselves through djing. Characterized often by their palette of sounds, they made a name for themselves in Cleveland spinning a variety of genres (house/techno/beats etc.) and venues alike. Having started djing dance music heavily as a result of finding Cleveland's queer run techno party In Training and being a non binary black youth raised across a few states in the Rustbelt (IL/MICH/OH), they seek to unabashedly open up new understandings for both themselves and others...
