

LEGALISM WORKSHEET

The Bible is clear that individuals are saved by faith thanks to the grace God demonstrated when Jesus died on the cross. Yet, legalism—the idea that we can somehow earn our salvation—remains entrenched in the hearts and minds of many people. In the space below, make a list of ways people try to earn their salvation. Then, identify Bible verses that contradict those ideas. Think about how you could use this information to talk to someone you know who is trying to be “good enough” to reach God on their own.
