

HOW IT WORKS IN SUMMIT K12 (DURING SCHOOL)

- Students automatically earn coins for completing assessments, quizzes, and PLP progress, as well as for achievements such as reaching the Summit K12 Top 10 tables.
- Teachers can also award bonus coins for effort or positive behavior.

HOW IT WORKS IN (AFTER SCHOOL)

- Students use their coins to unlock games, customize characters, and compete with classmates.
- **Play & Compete (Motivation Loop):** Tokens allow students to play head-to-head with classmates and then challenge others in their school, driving consistent usage between progress-monitoring assessments.

Scan to see how Summit K12 + ClassCade keeps students motivated all year long.

SUMMIT K12 + 

Rewards that Power Learning™

TURN ENGAGEMENT INTO RESULTS!

Complete lessons in Summit K12 → Earn coins in ClassCade →
Play fun games & grow skills

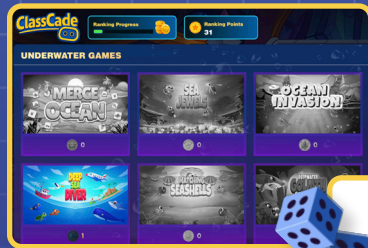

A student engagement system built into Summit K12 that drives PLP completion and lifts assessment scores.

WHY STUDENTS & TEACHERS LOVE IT

Boosts daily motivation and participation.
