### Job Summary

We're looking for a talented and detail-oriented 3D Graphic Designer with experience in creating graphic packages for retail environments. This role focuses on designing and preparing wall graphics for print, visualizing them in 3D formats, and ensuring they are production-ready. The

ideal candidate is skilled in graphic manipulation, understands the print production process, and can bring visuals to life in a retail setting.

### **Responsibilities**

- Design and prepare graphic packages for retail environments, including wall graphics and large-format prints.
- Manipulate and adapt existing graphics for different spatial and dimensional needs.
- Create 3D visualizations of retail graphics to help stakeholders understand how designs will look in-store.
- Ensure all graphic files are correctly set up for print production.
- Collaborate closely with internal teams (design and marketing) to bring branding concepts to life in physical spaces.
- Maintain accuracy and consistency in file setup, color matching, and scale

### **Qualifications**

- Proven experience as a 3D Graphic Designer, ideally within the retail or environmental design space.
- Strong proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign).
- Working knowledge of Revit is required.
- Experience with CAD software is a strong plus.
- Understanding of large-format print production processes.
- Attention to detail and excellent time management skills.
- Ability to communicate design concepts clearly in both 2D and 3D formats

### **Preferred**

- Experience working directly with print vendors.
- Knowledge of materials and finishes commonly used in retail environments.
