### Job Summary

We are in search of a highly skilled Junior Controller and Accounts Payable (AP) Specialist to join our dynamic team. In this role, you will play an important part in our accounting operations, focusing on accounts payables, financial analysis, and performance monitoring. While the title

may suggest a focus on AP, the responsibilities encompass broader financial functions critical to our manufacturing operations, with special focus on financial analysis.

## **Responsibilities**

- Manage accounts payables, ensuring accuracy and timeliness in processing invoices and payments.
- Prepare and analyze expense reports, identifying trends and cost-saving opportunities.
- Monitor and analyze the company's financial performance, providing insights on profitability and efficiency.
- Oversee job costing and budgeting processes to optimize resource allocation.
- Assist in cash flow forecasting to support strategic decision-making.
- Participate in company's annual audits

## **Qualification**

- Bachelor's degree in Accounting, Finance, or related field.
- 4+ years of progressive experience in accounting roles, preferably within manufacturing environments.
- Strong proficiency in Excel and accounting software; experience with Oracle's NetSuite is needed, with special focus to understanding manufacturing processes within NetSuite.
- Exceptional organizational skills with keen attention to detail.
- Demonstrated integrity, accuracy, and efficiency in handling financial data.
- Proven ability to work independently and meet deadlines.
- Analytical mindset with the capacity to interpret complex financial reports.
- Excellent communication skills in English and Spanish, both written & verbal.
- Previous experience as a Senior Accountant or similar role in companies with annual sales ranging of \$20M or more.
