Client

Undisclosed

Job Summary

We are actively seeking a Print Designer to join our Creative Team on project-base. The ideal candidate will possess experience in assisting with concepts and developing prints, colors, trims, waistbands, and other items that are consistent with the brand's aesthetics and satisfy business needs

Responsibilities

- Support the design team in assisting with concepts and developing prints, colors, trims, waistbands, and other items that are consistent with the brand's aesthetics and satisfy business needs.
- Assist in preparing trend presentations, mood boards and market research.
- Setup design presentation boards and update boards as changes occur.
- Research the market (luxury, contemporary and vintage), periodicals/magazines, and online resources (runway,ecommerce, resale) to stay current with trends.
- Play a key role in executing the initial development for each season by creating original artwork and layouts under the guidance of the VP of Brand.
- Color and print research/sourcing.
- Print design and development (assisting with recoloring, indexing, selecting scale, submissions, etc.)
- Work cross-functionally with Fashion design Team, VP of Brand, Data Team, Merchandising, Fabric Technologist, QC Manager, and Operations.
- Create and Update Collection and Campaign Decks.
- Create all color/print-filled CAD sketches.
- Responsible for creating and maintaining Illustrator CAD bank (including technical drawings and colored images) for CAD sheets/merchandising.
- Create and/or review/approve 3D renderings via Clo3D for all Limited Edition and Product releases
- Create and Update CAD Sheets, Ensuring 100% Accuracy.
- Create and Update Merchandising/Line Plans.
- Partner with relevant teams to create/merchandise Limited Edition packs per collection information cross-functionally.

Qualifications

- Bachelor's Degree in Apparel Design or Related Field
- 3-4+ years experience
- Experience in the Intimates and/or Contemporary/Luxury Markets Preferred

- Self-starter and creative thinker with the ability to interpret seasonal concepts.
- Strong communication, organizational, and problem-solving skills.
- Proactive, strong time management skills and ability to thrive in a remote, fast-paced environment.
- Proficiency in color-matching techniques and tools.
- Understanding of apparel print processes and understanding of technology in the print industry
- Figma experience
- Proficient/Advanced in Clo3D
- Knowledge of Color Systems; including, Pantone
