### **Job Title**

Photo Retoucher

### **Location**

Remote

### **Client**

Undisclosed

### **Job Summary**

CLIENT is seeking a skilled and detail-oriented Photo Retoucher to support the post-production of a large volume of new image assets produced at the end of the year. This role will be responsible not only for high-quality photo retouching, but also for organizing, naming, managing, and maintaining full ownership of image assets across internal systems. The ideal candidate has a strong eye for detail, excellent organizational skills, and experience working with digital asset management workflows.

## **Responsibilities**

- Retouch and enhance a high volume of newly produced image assets, ensuring consistency with NASM brand guidelines.
- Perform detailed photo editing, color correction, cleanup, and optimization for various digital uses.
- Apply proper file naming conventions and metadata to all image assets.
- Upload and manage assets within NASM's asset management systems.
- Organize and maintain image libraries, ensuring accurate categorization and easy searchability.
- Support image searching and stock image needs when required.
- Maintain clear ownership and accountability for all assigned image assets and projects.
- Collaborate closely with internal creative, marketing, and content teams to meet deadlines and quality standards.

## **Qualifications**

- Proven experience as a Photo Retoucher or similar role.
- Strong proficiency in photo editing software (e.g., Adobe Photoshop and related tools).
- Experience with file naming conventions, metadata, and digital asset management systems.
- Advanced English level (C1 or C2) with the ability to communicate clearly in written and spoken English.
- High attention to detail and strong organizational skills.
- Ability to manage multiple assets and projects simultaneously.
- Comfortable working remotely and meeting deadlines independently.
