Job Title

Construction Accountant

Location

Remote

Client

Undisclosed

Job Summary

We are seeking a Senior Accountant with ideal proven experience in the construction industry to manage and oversee the company's accounting operations. The ideal candidate is highly experienced, detail-oriented, and comfortable working in a fast-paced environment, with strong expertise in QuickBooks.

Responsibilities

- Manage full-cycle accounting, including AP, AR, general ledger, and month-end close
- Oversee job costing, project-based accounting, and cost tracking for construction projects
- Prepare and review financial statements, budgets, and variance analyses
- Ensure accurate recording of construction-related expenses, including labor, materials, and subcontractors
- Reconcile bank accounts, credit cards, and project accounts
- Ensure compliance with accounting standards, internal controls, and company policies
- Support cash flow management and financial forecasting
- Collaborate with project managers and leadership to provide financial insights
- Manage and optimize accounting processes within QuickBooks

Qualifications

- Senior-level experience as an Accountant, preferably within the construction industry
- Strong knowledge of construction accounting, including job costing and WIP (Work in Progress)
- Advanced proficiency in QuickBooks
- Solid understanding of accounting principles and financial reporting
- High attention to detail and strong analytical skills
- Ability to work independently and take ownership of the accounting function
- Strong communication skills in English (C1 or above)
