Balloon Craft

2

S.I. Rise and P.S./I.S. 26 students will collaborate to create a balloon craft in honor of the 50th Anniversary of I.D.E.A. Be sure to wear orange.

The story reminds us that differences are not barriers; they are what make our world stronger and more beautiful.

Students from SI RISE Academy and P.S./I.S. 26 will decorate balloons celebrating individuality, kindness, and inclusion. When displayed together in the main lobby, the balloons will create a beautiful symbol of unity and our shared school community.
