

Workday Access Guide:

Welcome to your guide for accessing your new Workday account. This document provides instructions to help you log in and set up your credentials quickly and securely.

Upon initial setup as a client approver in Workday, you would have received two emails from (TPG Workday) workday@theplanetgroup.com. Both contain information required for your initial login.

1. One email has the subject "Additional information about your Workday account" and includes:
 - a. Temporary password
 - b. Workday URL
2. The other email has the subject "Your Workday account" and includes:
 - a. Username
 - b. Workday URL

Additional information about your Workday account

After receiving both emails, follow the steps below:

1. Click on Workday URL provided in either email.
2. Enter your username and temporary password.
3. Select Sign In.
4. You will be prompted to create a new password. Create and save your new password for future use.

Note: If you do not receive both emails, please check your spam, junk, or quarantine folders. Consider contacting your IT department to ensure workday@theplanetgroup.com is whitelisted.

Frequently Asked Questions (FAQs)

What is the URL?

- Workday URL: <https://www.myworkday.com/theplanetgroup>

Will the system notify me when I have a pending approval?

- Yes, Workday will send you an email when time or expenses have been submitted and require your approval.
