**Last Updated: 1st January 2026**

This Points Schedule forms part of the Fixinc Loyalty Program Terms and Conditions. It sets out the activities through which Clients can earn Redeemable Points, together with their corresponding point values and any applicable conditions.

Fixinc reserves the right to update this Points Schedule from time to time in accordance with the Loyalty Program Terms.

## Earning Points on Advisory Services

Clients earn Redeemable Points at a rate of 0.05 points per \$1 (NZD) spent on Advisory Services. Points are calculated on the Advisory Services portion of each proposal only, based on the NZD value as recorded in Fixinc's systems.

## Bonus Activities

The following activities earn Redeemable Points when completed and verified by Fixinc. Clients must submit evidence of completed activities to their lead account manager or to [info@fixinc.org](mailto:info@fixinc.org).

## Points Schedule

| Finance Activities                  |                  |                                                                                                         |
|-------------------------------------|------------------|---------------------------------------------------------------------------------------------------------|
| Action                              | Points Available | Description                                                                                             |
| Proposal Signed within 4 weeks      | 40               | You signed and accepted your Proposal within a 4 week window of receiving it.                           |
| Invoice Paid before Due Date        | 80               | You paid your invoice before the due date. This can be claimed for each eligible invoice.               |
| PO / Onboarding Completed           | 80               | You provided a PO number or reference number and onboarded Fixinc within 7 days of proposal acceptance. |
| Social Media & Reviews              |                  |                                                                                                         |
| Action                              | Points Available | Description                                                                                             |
| LinkedIn Recommendation (Business)  | 390              | You recommended and linked to Fixinc on your business LinkedIn page.                                    |

|---------------------------|-----|----------------------------------------------------------------------------------------------------------------------------------|
| Returning Client (Annual) | 180 | You have remained a client of Fixinc for another year. This is awarded automatically on each anniversary of your Enrolment Date. |
|---------------------------|-----|----------------------------------------------------------------------------------------------------------------------------------|

## Conditions

All bonus activities are subject to verification by Fixinc before points are awarded. Fixinc reserves the right to decline points for activities that do not meet the required criteria or cannot be adequately verified.

Points for social media recommendations and reviews are awarded per individual contributor from the Client's organisation, not per organisation. Multiple submissions from the same individual account will not be awarded additional points.
