Last Updated: 1st January 2026

This Redemption Schedule forms part of the Fixinc Loyalty Program Terms and Conditions. It sets out the redemption parameters for Redeemable Points.

Fixinc reserves the right to update this Redemption Schedule from time to time in accordance with the Loyalty Program Terms.

Redemption Value

Redeemable Points are converted at a rate of 1 point = \$20 NZD credit when applied to eligible Advisory Services.

Maximum Redemption per Program

The maximum value of Redeemable Points that can be applied to any single Program or engagement is \$12,000 NZD.

Eligible Services

Redeemable Points can only be applied to Advisory Services provided by Fixinc. Points cannot be redeemed against:

- Technology products
- Fixinc partner program subscriptions
- Travel costs
- Expenses
- Any other non-Advisory Services components

Redemption Process

To redeem Redeemable Points, the Client must notify their lead account manager or email info@fixinc.org prior to signing the relevant proposal.
