# METROPOLIS VAUXHALL

A Victorian railway arch venue on the Albert Embankment, less than three minutes' walk from Vauxhall station.

Available for private and corporate hire from 10 to 500 guests across five distinct spaces — from the outdoor terrace with its own bar to the main event floor with stage, taking in the bar and deli, the Casita, and the games zone along the way.

The space includes a full cocktail bar, in-house deli, a stage and dance floor, arcade games, and full AV and sound system. Add-ons include drinks packages, live music, DJs, MC/host, event photography, AV and presentation setup, decorations and more.

## DRINKS PACKAGES

We offer a range of drinks packages to suit every event and budget — from party bundles for smaller groups to corporate packages designed for larger celebrations.

## FOOD PACKAGES

Our food is led by our in-house deli — artisan focaccia sandwiches, hot and cold bar snacks, sharing platters, charcuterie boards, cakes and pastries. For events we can scale this up into a full catering spread tailored to your group, from grazing tables and canapé-style sharing to a more structured sit-down menu. However you want to feed your guests, we'll build it around you.

## BESPOKE CATERING

Need something specific? We work with external caterers for dietary requirements, themed menus, or events where you want something different to what we usually offer. Just ask when you enquire.

# FLOOR PLAN & SPACES

## BAR & DELI

The venue's central bar and deli counter, surrounded by lounge-style leather banquette seating and a mix of high and low tables. It anchors the space as a social hub — equally suited to casual dining, drinks, or the heart of a larger private event. The deli serves artisan focaccia, hot and cold bar snacks, sharing platters, charcuterie, cakes and pastries throughout.

## EVENT FLOOR

An open, adaptable floor space with a stage, a full-size pool table at one end and flexible seating throughout. By day it works as a relaxed lounge and dining space; by night it transforms into the venue's main event and dance floor, with room for a DJ or live performance.

## WHOLE VENUE

Exclusive use of the entire venue — event floor, bar and deli, Casita, games zone, and the outdoor terrace with its own bar. Up to 500 guests. Steps from Vauxhall station.

## TERRACE

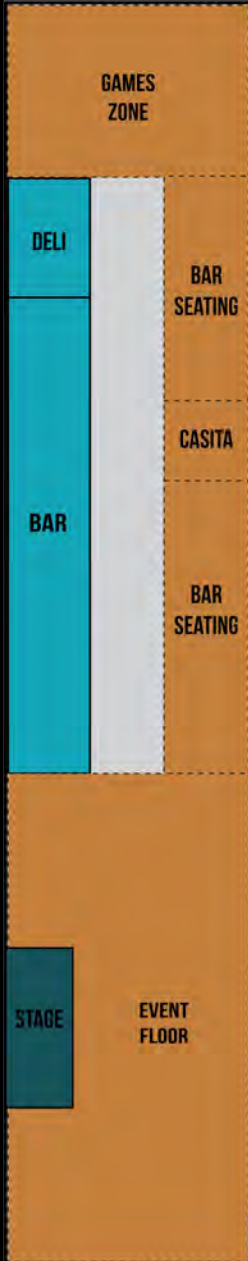

A semi-enclosed outdoor deck shaded by mature plane trees, with its own dedicated bar and picnic-style bench seating. A popular choice for summer parties, al fresco dining, and drinks receptions that spill into the open air.

## GAMES ZONE

Set beneath the venue's original Victorian railway arches, featuring arcade games including boxing, darts, and foosball. Ideal for informal team-building, adding an entertainment element to a private hire, or giving guests somewhere to break off and play.

## CASITA

A vibrant, themed corner dressed with colourful sombreros, festival bunting, and playful decor. A communal high table with bar stools seats a small group comfortably — a fun, photogenic space that works as a private drinks huddle, or breakout area.
