

# Week of Prayer

and North Carolina Offering for Older Adults

JANUARY 26, 2026 - FEBRUARY 1, 2026

## BAPTIST RETIREMENT HOMES FOUNDATION

*We are grateful to celebrate 75 years of ministry and service to older adults in North Carolina! Your partnership and support have been a great part of our story.*

*As we continue to grow, we pray you will continue to support our mission to provide quality care in our communities and our programs.*

This year we celebrate **75 YEARS** of ministry and are asking churches and individuals to celebrate this milestone with us. Would you honor our ministry and become a partner in our work? Your gifts mean our ministry and work can continue and grow across North Carolina. Would you honor our **75** years of ministry with a gift of **\$75**? Would you commit to a monthly gift of **\$75** for a year? Recurring monthly gifts are simple and sustaining to our work! Perhaps you are able to share a gift of **\$750** or more. Whatever your gift may be, know that it will be used to continue the good work which was started **75** years ago.
