About GTreasury

GTreasury provides CFOs and Treasurers with **The Clarity to Act** on strategic financial decisions with the world’s most adaptable treasury platform, empowering them to face the challenges of today and tomorrow. Because each company faces different points of complexity and needs, our industry-leading solutions are purposefully designed, and amplified by GSmart AI, to support every stage of treasury complexity, from Liquidity Management and Cash Forecasting to Payments, Risk, and Netting.

With GTreasury, financial leaders gain comprehensive connectivity across all banks and ERPs to build an orchestrated data environment, enabling rapid value realization with implementations up and running in weeks. Plus, our unmatched industry expertise ensures your continued success through dedicated guidance and top-tier support.

Trusted by over 1,000 customers across 160 countries, GTreasury provides treasury and finance teams with the ability to connect, compile, and manage mission-critical data to optimize cash flows and capital structures. To learn more, visit GTreasury.com.

GTreasury is headquartered in **Chicago**, with locations serving EMEA (**London**, **Geneva** and **Dublin**) and APAC (**Sydney**, **Singapore** and **Manila**).
