

UX / UI Bootcamp

# Figma 2

Some more advanced elements (a walk through)

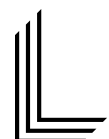

The real reason Figma is on top...

# What we will go cover...

- > **Styles**
  - Text
  - Colours
- > **Auto Layout Basics**
  - Spacing
- > **Components**
  - States
- > **Simple Prototypes**

# A Quick Note on Spacing...

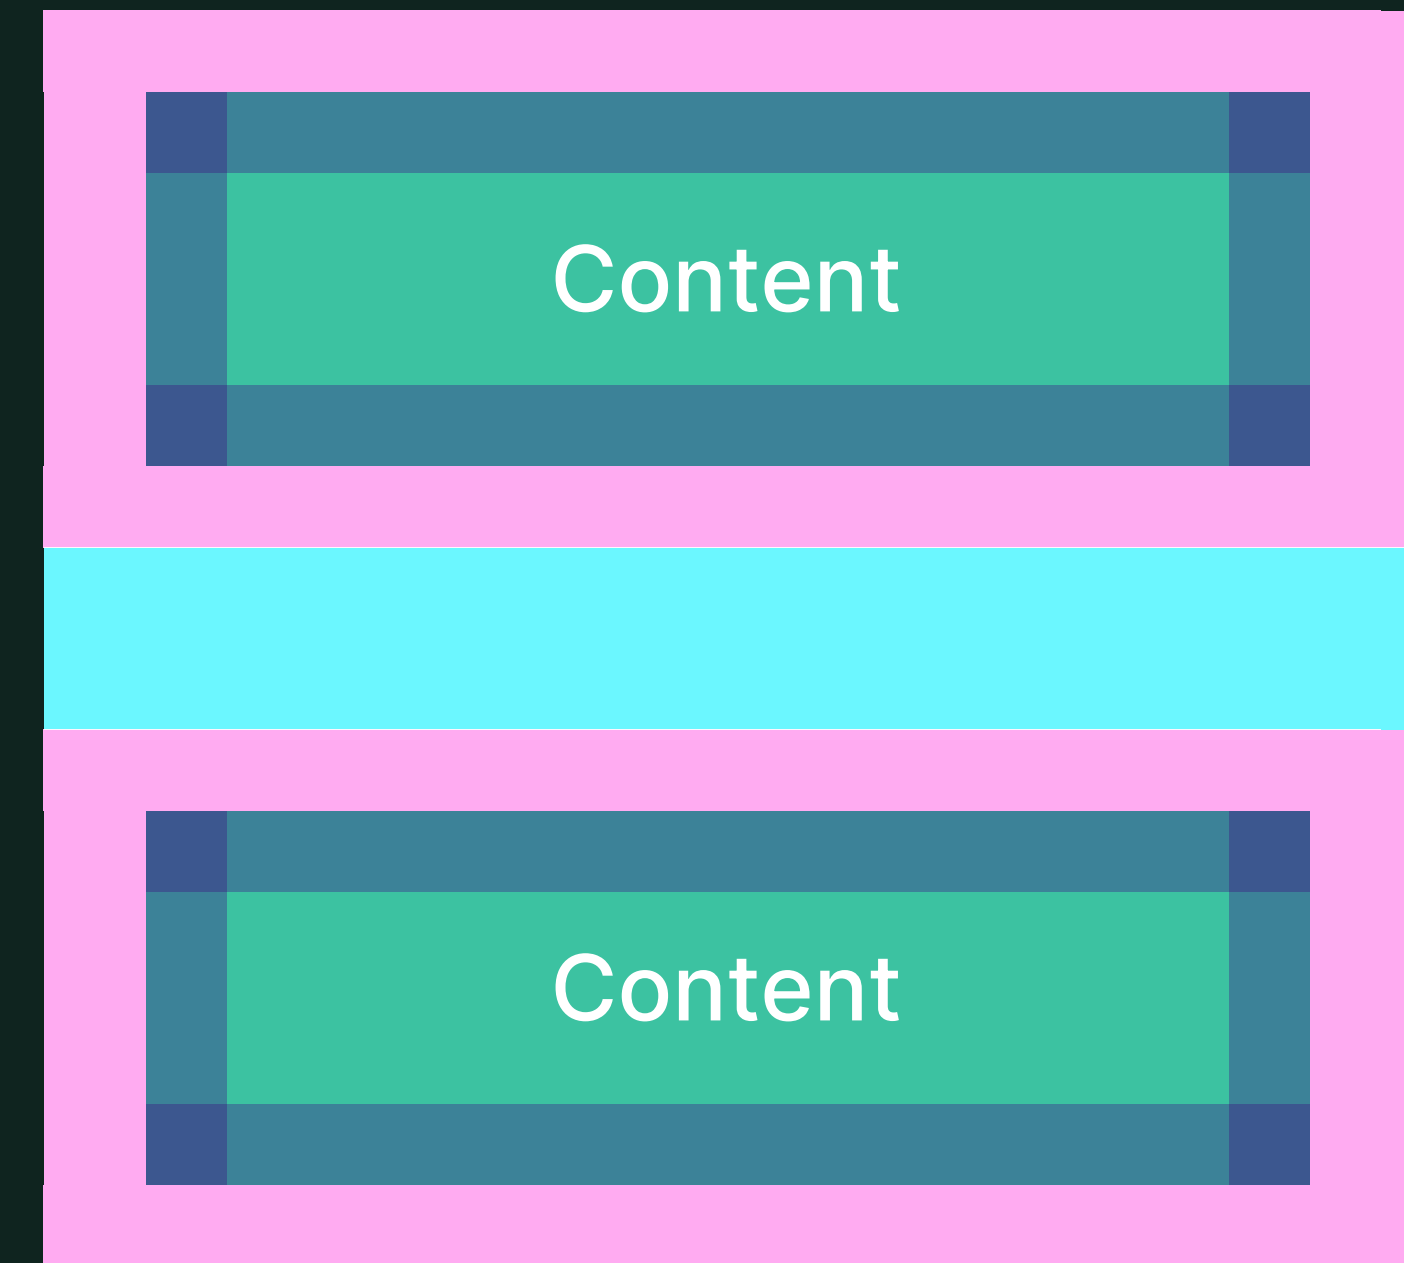

All Content  
is in a Div.

All Content  
Content  
is in a Div.

Padding

Margin

Spacing

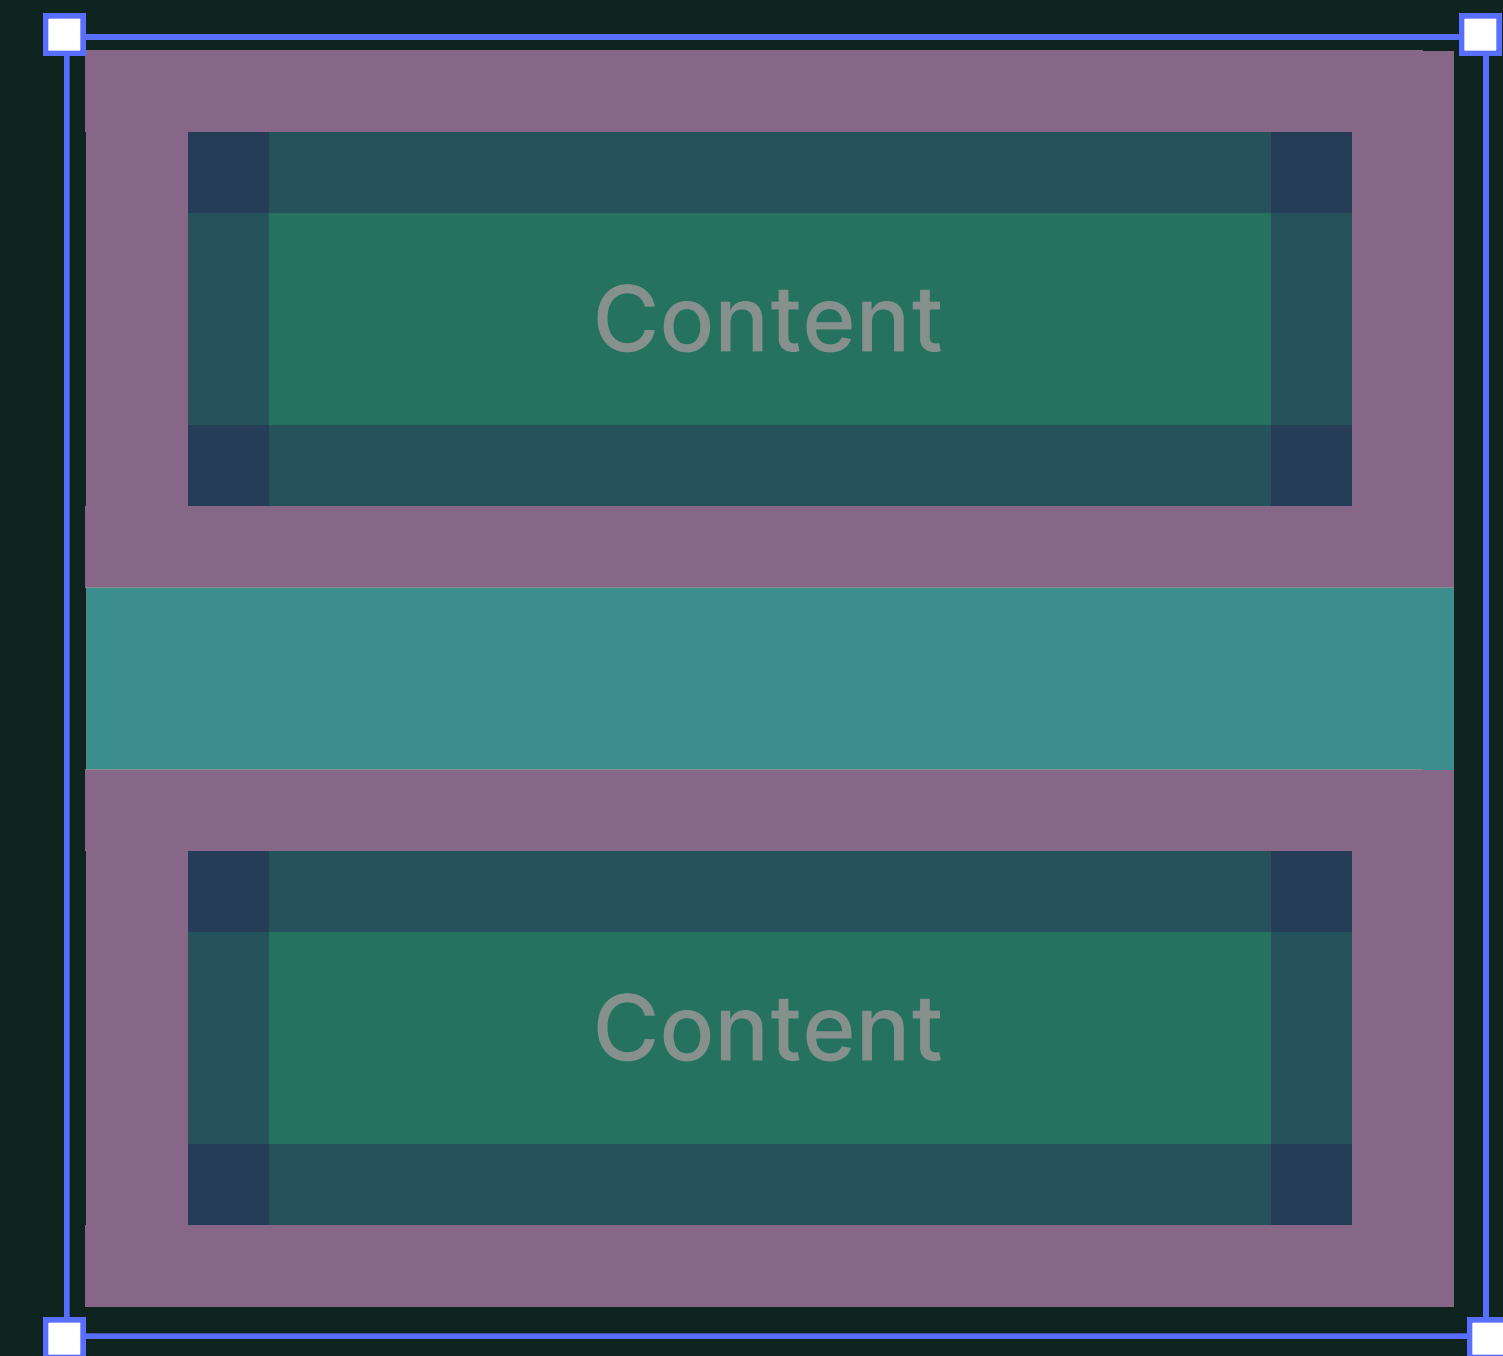

# A Quick Note on Spacing...

All Content  
is in a Div.

All Content  
Content  
is in a Div.

inception!

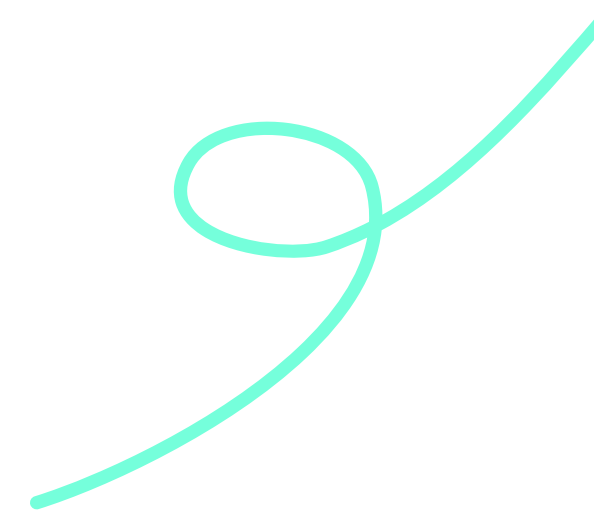

now the divs are in a div...
