

How to Pay with Lightning Pay

Lightning Pay makes parking quick, intuitive, and simple. Guests enter basic info, choose their departure, and pay — no kiosks, no apps, no confusion.

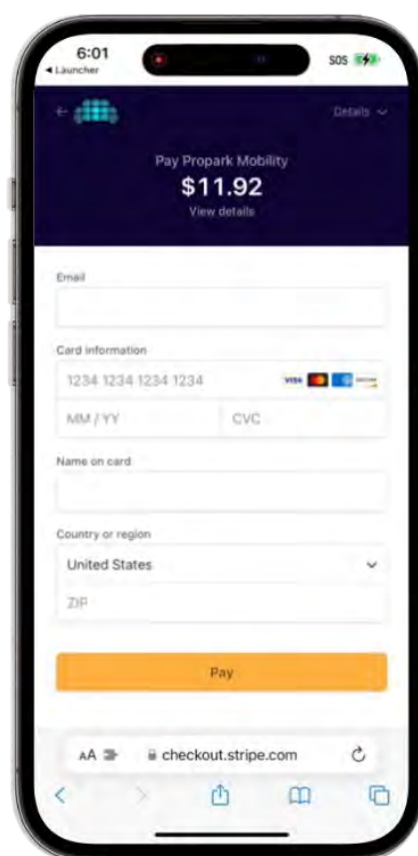

Step 1: Enter Your Details

Provide your phone number and license plate number.

Step 2: Select Your Departure

Choose the date and time you plan to leave.

Step 3: Complete Your Payment

Pay securely with a credit card, Apple Pay, or Google Pay, and submit.

Need more time?

Guests can easily extend their parking session remotely from their phone — no need to return to their car.
